Time Rider A Romance In Time English Edition:

Time ,1887 *The Productions of Time* Michael Dolzani,2021-02-18 Myth criticism flourished in the mid twentieth century under the powerful influence of Canadian thinker Northrop Frye It asserted the need to identify common unifying patterns in literature arts and religion Although it was eclipsed by postmodern theories that asserted difference and conflict those theories proved incapable of inspiring solidarity or guiding social action The Productions of Time argues for a return to myth criticism in order to refine and extend its vision With the aim of rehabilitating myth criticism for our time Michael Dolzani sketches an anatomy of the imagination as demonstrated in the total body of its productions including literature mythology the arts popular culture and religious and political texts Dolzani situates a vast panoply of images character types plot structures themes and genres to better understand their purposes their recurrences across broad spans of history and their interrelations Illustrating the relationship between mythology and history The Productions of Time proposes a symbolic language as a way of enabling dialogue across ideological and individual differences Arguing for the ethical and intellectual necessity of conceiving a unifying pattern that transcends differences The Productions of Time demonstrates that imagination is part of the human inheritance common to all not just to poets and mystics [The Athenaeum](#) ,1912 [The Athenaeum](#) James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1890 [Lloyd's Penny Weekly Miscellany of Romance and General Interest](#) ,1844 *The Musical Times and Singing-class Circular* ,1883

Pulling Back the Curtain on Qualitative Research William Thompson,Mica Thompson,2022-12-30 In Pulling Back the Curtain on Qualitative Research the authors maintain that for sociologists the entire world is a laboratory Seldom do they attend social gatherings without observing people and their interaction in a systematic and intellectually curious way Regular trips to the grocery store church services and engagement with social media all open the door to sociological questioning and encourage forms of empirical observation and data collection Here in this practical and in depth guide to conducting qualitative sociological field research the authors offer step by step guidance to the processes of choosing a research question and forming research objectives gaining entry to research settings and reporting and analyzing findings Each chapter features a past research assignment wherein the authors draw attention to important ethical considerations and extract the many lessons quirks and unanticipated findings they experienced along the way that readers should prepare for and apply while conducting their own qualitative fieldwork Over the span of several field studies this book offers readers a behind the scenes look at some tested and trusted qualitative methodologies Designed to be a guide for undergraduate and graduate level students its real life meditations would make a meaningful addition to anyone serious about conducting sociological research **Encyclopedia of Film Themes, Settings and Series** Richard B.
