

HOW TO WRITE A PERSONAL ESSAY

1

Start with an engaging opening sentence

Open your essay with an introductory section that will be engaging and interesting for your reader.

2

Write from your unique point of view

In contrast to other types of essays, writing from your perspective or in your unique manner is welcomed.

3

Take the characters into account

Be sure to describe your characters from all angles.

4

Shed light on a deep truth

Discuss your background experience with honesty and curiosity. Don't be afraid to uncover a hidden truth or a truth you did not know was there at the time

Brighten Your English Writing Skills K. K. Singh, 2022-03-13 Every human knows at least one language spoken or signed Linguistics is the science of language including the sounds words and grammar rules Words in languages are finite but sentences are not It is this creative aspect of human language that sets it apart from animal languages which are essentially responses to stimuli The rules of a language also called grammar are learned as one acquires a language These rules include phonology the sound system morphology the structure of words syntax the combination of words into sentences semantics the ways in which sounds and meanings are related and the lexicon or mental dictionary of words When you know a language you know words in that language However the sounds and meanings of words are arbitrary For the most part there is no relationship between the way a word is pronounced and its meaning
