Carmelia Stokes,2007-10 There s no available information at this time Author will provide once information is available War in a Bottle Joseph Luxum,2012-07 The Supernatural Power of Peace All people contain DNA Recent studies have revealed that genes remember the past and to a certain extent can influence the present The environment in which we live influences not only the development of our psyche but also the overall disposition in which genes play a larger role than previously thought In Matthew 5 9 Jesus declared Blessed are the peacemakers for they will be called sons of God Just as the Word suggests it is not the war makers that are blessed but the peacemakers Whatever we scarcely pay attention to as being unattractive and not dramatic enough to grab our attention God chose to astound the world First Corinthians 1 25 says The foolishness of God is wiser than men and the weakness of God is stronger than men This book deals with the supernatural nature of peace which actually heals and restores More than ever before the modern lifestyle robs us of peace as a result people seek an escape from stress Some find it in chemical substances others in time off relaxation or meditation But there is

a peace that surpasses human understanding Like walking firebombs which are bottles filled with petrol ready to go off some people go through life without any purpose As the title of this book suggests the bottle must be emptied of all flammable substances for only then one will find the much sought after commodity which is the healing and restoring power of peace

Christianity for 'Know-Nots' Leslie R. Toliver, 2013-02-25 Words are powerful Words hold weight Words can educate you or confuse you They can bring joy or pain faith or fear Words unlock the mysteries of life Did you know that your words have creative power Did you know that what you dont know about Christianity can hurt you As a Christian you owe it to God and to yourself to know as much as you can about your relationship with Him Gods Word directs us to be able to explain why we believe what we believe Christianity for Know Nots will help you This book is designed to help believers and non believers to understand the meanings of words used in the Holy Bible and among Christian believers If this were a course it would be called Christianity 101 How much do you know about Christianity The Unknown God, a Sermon [on Acts Xvii. 23].
