

This is a digital copy of a book that was preserved for generations by Google. Thanks to the efforts of many individuals, it is now available again to the public as part of Google's mission to make the world's books discoverable online.

It has remained long enough for this copyright to expire and the book's content to be in the public domain for many years to come. It is now in the public domain in the United States; however, it may still be under copyright in other countries. Please do not assume that a book's presence in the Google Book Search database means it can be used in any way anywhere in the world. It may still be subject to copyright.

Google is pleased to partner with libraries, archives, and other organizations to digitize and make public books that were previously difficult or impossible to find. This project is a digital library for the people of the world.
