filling out your answer sheet Fill out this sheet carefully since this information will appear on your score report Remember since no scratch paper will be provided you can write in your test booklet After the Test When you have completed the SAT II French Subject Test you may hand in your test materials and leave Then go home and relax You should receive your score report about five weeks after you take the test This report will include your scores percentile ranks and interpretive information YOUR SCORE REPORT You should receive your score report about five weeks after you take the test This report will include your scores percentile ranks and interpretive information When you register for the test you can also take advantage of two different reporting options Score Choice and the Writing Sample Copy Service Score Choice allows you to review your scores before instructing the College Board to send them to the colleges you have chosen If you decide your scores are too low you can take the test again Only you and your high school will know your original scores The Writing Sample Copy Service provides you with three copies of your graded essay which you can send to colleges for admissions purposes Additionally if you plan to take the test again a copy of your essay with graders comments can be invaluable in assessing your strengths and weaknesses
