The Cambridge Companion to 'Pride and Prejudice' Janet Todd, 2013-02-07 This informative Companion offers a combination of original readings and factual background information [PRIDE & PREJUDICE](#) Jane Austen, 2014-03-20 Despite little recognition of her importance and quality in her lifetime in fact it wasn t even known that she was the author of her novels until after he death so strong was the prejudice against women writers Austen s work has undoubtedly stood the test of time In fact her novels seem as fresh relevant and true as they were in the early 19th century when they were written Two hundred years after the first publication of arguably her masterpiece Pride and Prejudice might be a good time to look at her heritage and evaluate her impact on current artistic and social mores Born into the large family of a country clergyman there was little remarkable about Jane s upbringing though she was well educated and encouraged to read and be creative What she must have been doing that was remarkable especially for the time was observing and developing a healthy cynicism about the social structure and manners of the age and deciding quite early in her life that is deserved only parody and mocking however gentle and subtly delivered While Jane s family would have been quite low on the social scale the fact her father was a clergyman would have opened some doors to the family that might otherwise have been firmly closed on them This gave Jane the opportunity to experience first hand how the social interactions of the day worked in practice and to watch albeit from a distance perhaps the effects and characteristics it produced especially in the young people Jane Austen continued to write what might almost be seen as observational comedy today through her own illness to her untimely death at 42 Social sensibilities and necessity meant that she could never be overt in her criticism or parody She was too close to the subjects and too dependent on the goodwill of others to be able to be openly critical But it is the subtle nuances of her social comment that really stand her apart She doesn t indulge in Dickens caricatures or Wilde s exaggerated manners It is all understated and implied and in that lies her true genius Perhaps that is why 200 hundred years on her work still appeals to a

broad spectrum of society Consumers are more sophisticated and worldly wise now and can usually recognize satire when they see it But Austen's world is not populated with absolute heroes and villains just flawed and sometimes quietly desperate people who make mistakes but ultimately get it right And maybe that is still what we all want **Waiting for an Echo** Jann, 2015-09-18 Mr Darcy is finding it difficult to decide between duty and happiness as he considers two women in Kent as prospective brides and joins Mr Bingley at Netherfield to gain distance and perspective He never thought his eye would be captured by yet another woman This is a dual volume set of the beloved series Waiting for an Echo Mr. Darcy and the Secret of Becoming a Gentleman Maria Hamilton, 2011 A retelling of *Pride and Prejudice* follows the painfully shy Mr Darcy as he after Elizabeth Bennet refuses his proposal of marriage vows to unlock the secrets that will make her his and right the wrongs he has done to her family Austenland Shannon Hale, 2013-01-01 Jane is a young New York woman who can never seem to find the right man perhaps because of her secret obsession with Mr Darcy as played by Colin Firth in the BBC adaptation of *Pride and Prejudice* When a wealthy relative bequeaths her a trip to an English resort catering to Austen obsessed women however Jane's fantasies of meeting the perfect Regency era gentleman suddenly become more real than she ever could have imagined Is this total immersion in a fake Austenland enough to make Jane kick the Austen obsession for good or could all her dreams actually culminate in a Mr Darcy of her own In this addictive charming and compassionate story Shannon Hale brings out the Jane Austen obsessive in all of us **Mr Darcy's Guide to Courtship** Emily Brand, 2013-07-10 Fitzwilliam Darcy's universally acknowledged primer for single men in possession of a good fortune should they be in want of a wife Perfect for fans of *Bridgerton* and the high society lifestyle of the Regency period Mr Darcy's Guide to Courtship is no ordinary Regency courtship manual composed as it is by a Fitzwilliam Darcy as yet unmellowed by contact with Elizabeth Bennet Full of entirely justified pride and meticulously cultivated prejudice Jane Austen's most famous and most fancied hero here reveals the secrets of his success with the opposite sex offering hints to both ladies and gentlemen on the rules of courtship including making oneself agreeable identifying an appropriate partner and how to escape the unwanted attentions of rogues and fortune hunters Also includes beauty tips from Caroline Bingley thoughts on the improper courtship techniques of Messrs Wickham and Collins reflections on spinsterhood by Miss Emma Woodhouse and Darcy's advice to his many illustrious correspondents including Lord Byron the Duke of Wellington and Mr Willoughby of Combe Magna **Mr. Darcy's Christmas Carol** Carolyn Eberhart, 2012-10-01 From a beloved author of popular Jane Austen sequels come a heart warming tale of Elizabeth and Darcy at Christmas sure to delight both Jane Austen and Regency romance fans Carolyn Eberhart's novella crosses Jane Austen with Charles Dickens Mr Darcy's Christmas Carol finds Darcy alone following Elizabeth's rejection of his offer of marriage Ghosts of Christmas past present and future appear to show him what his life will be like if pride keeps him from pursuing his one true love **Mr. Darcy's Decision** Juliette Shapiro, 2008-08-28 Marriage isn't the end of the story it's only the beginning in this delightful and suspenseful follow up to Jane Austen's classic

Pride and Prejudice Jane Austen captured hearts with the passion filled romance of Elizabeth Bennet and Fitzwilliam Darcy in Pride and Prejudice Now Mr Darcy s Decision finds the couple in their tumultuous first year of married life at Pemberley entrenched in the frivolous social pressures of their prying friends and family While the sharp tongued duo of Lady Catherine de Bourgh and Caroline Bingley criticizes Elizabeth the new Mrs Darcy has a happier matter on her mind the fact that she is carrying the next Darcy heir But when the sudden and unexpected return of Elizabeth s sister Lydia brings alarming reports of seduction and blackmail that threaten the newlyweds future Mr Darcy is forced to make the most difficult decision of his lifetime Written in a style that stays true to the Austen s sardonic wit Mr Darcy s Decision paints a vivid portrait of Regency society full of romance tragedy humor and intrigue

Mr. Darcy's Diary Amanda Grange, 2007-03 Monday 9th September I left London today and met Bingley at Netherfield Park I had forgotten what good company he is always ready to be pleased and always cheerful After my difficult summer it is good to be with him again The only place Darcy could share his innermost feelings was in the private pages of his diary Torn between his sense of duty to his family name and his growing passion for Elizabeth Bennet all he can do is struggle not to fall in love Mr Darcy s Diary presents the story of the unlikely courtship of Elizabeth Bennet and Fitzwilliam Darcy from Darcy s point of view This graceful imagining and sequel to Price and Prejudice explains Darcy s moodiness and the difficulties of his reluctant relationship as he struggles to avoid falling in love with Miss Bennet Though seemingly stiff and stubborn at times Darcy s words prove him also to be quite devoted and endearing qualities that eventually win over Miss Bennet s heart This continuation of a classic romantic novel is charming and elegant much like Darcy himself Pride and Prejudice has inspired a large number of modern day sequels the most successful of which focus on the rich proud Mr Darcy What readers and reviewers are saying about Mr Darcy s Diary A delicious treat for all Austen addicts Amanda Grange knows her subject I ended up reading the entire book in one sitting Brilliant you could almost hear Darcy s voice I was so sad when it came to an end I loved the visions she gave us of their married life Amanda Grange has perfectly captured all of Jane Austen s clever wit and social observations to make Mr Darcy s Diary a must read for any fan Absolutely fascinating Amanda Grange seems to have really got under Darcy s skin and retells the story in diary form with great feeling and sensitivity Historical Novel Society Written with charm elegance and style Amanda Grange s excellent retelling of Pride and Prejudice Mr Darcy s Diary will make you fall in love with Fitzwilliam Darcy once again Single Titles Mr Darcy s Diary is an enjoyable journey into the mind of one of the most popular characters in literary history a gift to a new generation of Darcy fans and a treat for existing fans as well Austenblog
