## **To Dad From Kelly:**

*To Dad, from Kelly* Kelly Lytle, 2014-10-01 When Rob Lytle died at age 56 three decades after his football stardom at the University of Michigan ended and his professional career with the Denver Broncos began his son Kelly Lytle poured his mix of grief adulation regret gratitude and even criticism into a series of letters to the man he considered his best friend What began as catharsis evolved into a memoir that starts strong and gains steam the way Rob Lytle did in his dashes down the football field *To Dad From Kelly* adds dimensions as the author has the insight and candor to peel away the cachet of having a celebrity father and reveal the underside of an all consuming devotion to a sport Along the way Kelly shares his difficulties with keeping sports competition in perspective This reflection on an unusually close and complicated father son bond will be entertaining poignant and inspiring for readers who love sports and those who don't because although football provides a backdrop the book is really about family zeal and character
