To America With Love:

To America with Love A.A. Gill, 2013-07-09 A celebrated British provocateur and Vanity Fair columnist serves up an immensely entertaining book inspired by his love and knowledge of America Sunday Times London IN TO AMERICA WITH LOVE celebrated British provocateur and Vanity Fair columnist A.A. Gill traverses the Atlantic to become the freshest chronicler of American identity in recent memory With a fiery temper a sharp tongued wit and an insatiable curiosity to figure out what makes more than 300 million of the world's population tick Gill traces the history and logic of our nation's habits collecting wild stories and startling facts along the way From Colorado where he meets a local vegetation expert and learns which flowers were in Pocahontas's nuptial bouquet to Kentucky where he visits the Creationist Museum and drinks moonshine with a hog farmer and to Harlem where he misses a turn and stumbles into the wrong barbershop for a once in a lifetime haircut Gill embarks on a tour of not only the nation's landscape but also its psyche playing adventurer philosopher statistician and raconteur all at once In inimitable fashion he explains why pressing a button in a Manhattan elevator means entering a social contract of American etiquette and inverting conventional hierarchies of space why browsing through Playboy centerfolds becomes the perfect litmus test for a generation's political views and how Hollywood is the metaphysical marketplace for movies the place where Americans are sold on American romance and taught how to dream the American dream Weaving together a tapestry of historical erudition and outrageous anecdotes Gill ultimately captures the scope and spirit of a nation that started off as a conceptual experiment and became a political scientific and cultural fortress This humorous and revelatory book shows us why we are who we are by transforming ordinary experiences into extraordinary lessons and promising to never let us look in the mirror the same way again

Love Letters to America Lesa K. Smith, 2014-03-31 LOVE LETTERS TO AMERICA is a book written in love from my heart to yours I love America and have spent time pondering our course and fate It has brought me to ask questions that make you think and engage you towards right actions and away from costly traps that can ruin your life I believe that we all have a correctly charted course laid before us A destiny written by God to fulfill If one is not careful we can change course easily and be headed in the wrong direction It is possible then to miss out on what God desires for our lives Right thinking and choices can help to safeguard our lives and those of our loved ones around us Hopefully then we can be found walking out in victory the
