The Child's Play VW Polo Arnaud Pauly,2018-02-05 The Child s Play VW Polo explains step by step with a picture for each how to do the service of your VW Polo It is based on the certainty that everyone can do it if clearly explicated and shown Because it is very simple Make sure your Polo is from 2001 to 2009 and has an engine 1 4 TDI 51 55 or 59 kw These are the engines covered by this VW Polo service manual It contains an accurate list of the tools you need a detailed procedure to do your service but also to check and replace your front brakes pads and discs You will see an example of the service book you should keep up to date and the scheduled maintenance for all the tasks that have to be done to keep your car in the best conditions The main goal is to save money For each maintenance it will cost you from 35e to 50e maximum while it costs more than 200e at your car dealer You save at least 150e per service More than money you save time here We assure you than after the first learning you will not need more than 30 minutes Better than go to the car dealer and wait for two hours The Child s Play Maintenance manuals have the goal to allow anyone to do its car service himself We think that your mechanic charge far too much for what it is and we want you to avoid this useless expense Each manual is specific to a single model location of the parts are different as the way to replace them VW Polo GTI Ernie Ruben,2019-10-20 120 pages with 20 lines you can use as a journal or a notebook 8 25 by 6 inches
