The Memory Of Love:

The Memory of Love John Stratton Hawley, 2009-04-07 No Hindu god is closer to the soul of poetry than Krishna and in North India no poet ever sang of Krishna more famously than S rd as or S r for short He lived in the sixteenth century and became so influential that for centuries afterward aspiring Krishna poets signed their compositions orally with his name This book takes us back to the source offering a selection of S rd as s poems that were known and sung in the sixteenth century itself Here we have poems of war poems to the great rivers poems of wit and rage poems where the poet spills out his disappointments Most of all though we have the memory of love poems that adopt the voices of the women of Krishna s natal Braj country and evoke the power of being pulled into his irresistible orbit Following the lead of several old manuscripts Jack Hawley arranges these poems in such a way that they tell us Krishna s life story from birth to full maturity These lyrics from S r s Ocean the S rs agar were composed in the very tongue Hindus believe Krishna himself must have spoken Brajbh as a the language of Braj a variety of Hindi Hawley prepares the way for his verse translations with an introduction that explains what we know of S rd as and describes the basic structure of his poems For readers new to Krishna s world or to the subtleties of a poet like S rd as Hawley also provides a substantial set of analytical notes S r is the sun as a familiar saying has it and we feel the warmth of his light in these pages

Love was in the air People everywhere were being matched by a magic mirror and falling in love Silas watched his family grow larger from all the marriages and children He wondered when his time would come but a part of his mind couldn t let go of a memory from long ago of a beautiful girl He called her his woodland sprite but where had she gone and would he ever see her again May struggled against the unwanted advances of the man her mother wanted her to marry She did not love him Her memories were full of the vision of a boy she loved from afar but her family had left that place long ago She never expected to see him again especially not in the reflection of the magic mirror She knew she loved him but following her heart meant leaving her family and returning to the home they left behind Could their love be strong enough to withstand the wrath of her mother and become more than just a memory **Love Is A Distant Memory** Julie Williams, **Primitive Love and Love-stories** Henry T.
