The Messiah In Moses And The Prophets:

The Messiah in Moses and the Prophets Eleazar Lord, 1853 *The Messiah in Moses and the Prophets* Eleazar Lord, 2016-05-23 We think that no descendant of Israel can candidly read this volume without the conviction that the Messiah of his own Scriptures and Jesus of Nazareth are the same and we trust the author will have the satisfaction of hearing that the work has been blessed to many in Israel The Theological and Literary Journal This is a book of great value It is refreshing to see a work which seems to revive among us in these days a spirit of inquiry into the rich mines of evangelical instruction which exist in the Old Testament and which John Owen and others in his day both in England and Holland knew so well how to explore and appreciate We can most cordially recommend this important work which comes from the pen of a gifted layman formerly a merchant in New York The Christian World It is said of the Messiah in a discourse with two of his disciples that Beginning at Moses and all the prophets he expounded unto them in all the Scriptures the things concerning himself And subsequently These are the words which I spake unto you while I was yet with you that all things must be fulfilled which were written in the law of Moses and in the prophets and in the Psalms concerning me Then opened he their understandings that they might understand the Scriptures On another occasion he said Search the Scriptures for in them ye think ye have eternal life and they are they which testify of me And again Had ye believed Moses ye would have believed me for he wrote of me But if ye believe not his writings how shall ye believe my words At his advent he was pursuant to a prediction of Isaiah called Immanu El God with us In conformity with another prediction it was the office of his fore runner to prepare the way of Jehovah the Lord And an angel announced to the shepherds Unto you is born a Saviour which is Christ the Lord Jehovah Philip saith to Nathaniel We have found him of whom Moses in the law and the prophets did write Jesus of Nazareth We should naturally infer from these passages that the delegated official Person Jesus the Christ was the theme of the Old Testament Scriptures that his official agency and relations were there continuously and amply treated of that his complex character his divine prerogatives his prophetic sacerdotal and regal offices his works as Creator Lawgiver and Ruler and his relations as Covenanter and Redeemer were there conspicuously set forth and were there recognized and acknowledged objects of the faith and trust of patriarchs prophets and all true worshippers And such undoubtedly was the case He was the Jehovah of the Old Testament the Elohe of the patriarchs and of Israel the Angel or Messenger Jehovah the Jehovah Zebaoth the Adonai the Messiah of the ancient dispensations Under these and other designations Moses the psalmists and the prophets wrote of him saw acknowledged and believed in him worshipped and praised him in the tabernacle and temple recognized and obeyed him as their Lawgiver and trusted in him as their Saviour **The Messiah in Moses and the Prophets** Lord Eleazar, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the

Shadows of the Messiah in the Torah Dan Cathcart, Brenda Cathcart, 2012-03-01 Jesus Hebrew name is Yeshua which means He will save or salvation His coming is in fulfillment of the promises of God to send salvation to His people God recorded these promises through Moses and the prophets in the Old Testament the scriptures from Moses to Malachi Yeshua says that all the scriptures are about Him John 5 39 Search the scriptures for in them ye think ye have eternal life and they are they which testify of me John 5 46 For had ye believed Moses ye would have believed me for he wrote of me Lu 24 44 And he said unto them These are the words which I spake unto you while I was yet with you that all things must be fulfilled which were written in the law of Moses and in the prophets and in the psalms concerning me 45 Then opened he their understanding that they might understand the scriptures This volume contains twelve newly revised in depth studies of a few

of the places in the Old Testament which testify about Yeshua as the Messiah who is coming again Isaiah writes that God declares the end from the beginning Join us as we begin in the beginning with the establishment of the Sabbath and how building the Tabernacle mirrors the creation We examine the end as we peek into eternity learn about the seal of God and find out who reads the Torah in the Great Assembly Along the way we meander through the lives of David Esther and Abraham frequently encountering Moses the number seven and the Feasts of the LORD We finish where we began with an in depth study of the Messiah as revealed in the first verse of the Bible Each lesson has a student notes section and discussion questions for use individually or with a group Join us as we tear out the blank page between the Old Testament and the New Testament and see the scriptures as one unified book given to reveal the character of God and the two comings of Yeshua John 1 45 We have found him of whom Moses in the law and the prophets did write Jesus of Nazareth the son of Joseph

Women in John's Gospel Susan Miller,2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation *A Course of Lectures on the Messiahship of Christ* Joseph Samuel Christian Frederick Frey,1844 *An Exposition of the New Testament ... By John Gill.* [Edited by David A. Doudney. With a Portrait.] ,1852 *Prophet Muhammad (Peace Be Upon Him) in the Bible* Dr. S.M. Mohiuddin Habibi,Syed Ahsan Habibi,2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tidings of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to

mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170
