anthropology and comparative religion as well as the on the resources provided by historians **The Sion Revelation** Lynn Picknett, Clive Prince, 2006-02-07 Explores the mysterious Priory of Sion organization investigating key questions about the alleged descendants of Jesus and Mary Magdalene Leonardo da Vinci's possible membership and the identity of Grand Master Pierre Plantard **The Generation** Jaff Schatz, 2023-04-28 This book examines the lives of a remarkable generation of Polish Jewish Communists whose experiences embody the profound socio-political upheavals of the 20th century Born around 1910 these individuals joined the Communist movement during the 1930s survived World War II in the USSR and rebuilt their lives in postwar Poland only to face defeat and exile in the late 1960s Their journey reflects both the unique intersection of Jewish and Polish histories and broader existential questions of ideology identity and human agency Through their revolutionary visions and struggles against oppressive systems they grappled with moral and ethical dilemmas shaped by historical forces they often could not control Their lives illustrate the broader dynamics of Central and Eastern Europe's modern history revealing the tensions between collective ideals and individual realities Drawing on extensive qualitative research including interviews questionnaires and archival materials this study captures the collective trajectory of this generation while honoring the individuality of their experiences It explores their radicalization revolutionary careers wartime experiences in the USSR and postwar struggles in Poland leading to their eventual downfall Combining historical and sociological perspectives the book seeks to uncover the patterns of identity action and social change that defined their lives In doing so it offers a panoramic view of their shared journey while also reflecting on the personal and political legacies of their generation The analysis serves as both a tribute to their extraordinary experiences and an invitation to consider the broader lessons of their history This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer-reviewed scholarship accessible once again using print-on-demand technology This title was originally published in 1991 *Secret Societies* Milton William Cooper, 2013-09-20 History is replete with whispers of secret societies Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples Prominent men meeting in secret who directed the course of civilization are recorded in the writings of all people The oldest is the Brotherhood of the Snake also called the Brotherhood of the Dragon and it still exists under many different names It is clear that religion has always played a significant role in the course of these organizations Communication with a higher source often divine is a familiar claim in all but a few The secrets of these groups are thought to be so profound that only a chosen well-educated few are able to understand and use them These men use their special knowledge for the benefit of all mankind At least that is what they claim How are we to know since their knowledge and actions have been secret Fortunately some of it has become public knowledge I found it intriguing that in most if not all primitive tribal societies all of the adults are members They are usually separated into male and female groups The male usually dominates the culture

Surprisingly this exactly resembles many civilized secret societies This can only mean that the society is working not against established authority but for it In fact could be said to actually be the established authority This would tend to remove the validity of any argument that all secret associations are dedicated to the destruction of properly constituted authority This can only apply of course where the secret society makes up the majority or entirety of any people which it affects Only a very few fall into this category Secret societies in fact mirror many facets of ordinary life There is always an exclusivity of membership with the resultant importance attached to being or becoming a member This is found in all human endeavors even those which are not secret such as football teams or country clubs This exclusivity of membership is actually one of the secret societies most powerful weapons There is the use of signs passwords and other tools These have always performed valuable functions in man s organizations everywhere The stated reason almost always different from the real reason for the societies existence is important

Wolfson, 2023-04-11 The Philosophical Pathos of Susan Taubes offers a detailed analysis of an extraordinary figure in the twentieth century history of Jewish thought Western philosophy and the study of religion Drawing on close readings of Susan Taubes s writings including her correspondence with Jacob Taubes scholarly essays literary compositions and poems Elliot R Wolfson plumbs the depths of the tragic sensibility that shaped her worldview hovering between the poles of nihilism and hope By placing Susan Taubes in dialogue with a host of other seminal thinkers Wolfson illumines how she presciently explored the hypernomian status of Jewish ritual and belief after the Holocaust the theopolitical challenges of Zionism and the dangers of ethnonationalism the antitheological theology and gnostic repercussions of Heideggerian thought the mystical atheism and apophaticism of tragedy in Simone Weil and the understanding of poetry as the means to face the faceless and to confront the silence of death in the temporal overcoming of time through time Wolfson delves into the abyss that molded Susan Taubes s mytheological thinking making a powerful case for the continued relevance of her work to the study of philosophy and religion today Between the Canon and the Messiah Colby Dickinson, 2013-05-09 This book traces the concepts of the messianic and the canon as central terms upon which both philosophy and theology historically rely *The Narrow Gate* Paul Sides, 2016-02-08 The Messiah came 2000 years ago to show us The Way by example through The Narrow Gate into The Kingdom of Yahuah That way is through Mikveh Circumcision and bringing an Offering to the Altar of Yahuah After showing us The Way on Passover the veil was torn giving all of us access to follow in his footsteps Unfortunately we have been misled for 2000 years We all have been taught to either keep Easter which is a Babylonian ritual or keep The Seder which is a Roman pagan banquet We have been taught an entirely different Gospel message that it took The Creator to come and die to save us when salvation is through a Mediator and High Priest chosen from among men This book overcomes those lies and firmly established The Way and example the Messiah set that we should follow to enter through The Narrow Gate There are two issues facing the Nazarene followers of Yahusha today 1 When do we celebrate these Appointed Times 2 How do we properly fulfill our roles in these prophetic rehearsals I wrote this book to answer those two questions clearly so that the Nazarene Assembly of true believers will be faithful to meet Yahuah on His Appointed Feasts and in a way that brings glory to Him So that we can properly fulfill our role as the Bride of the Messiah not Yahuah by preparing ourselves through Mikveh Circumcision and Offering For 2000 years the traditions of Hellenized Rabbinical Judaism and the pagan

false religion of Christianity has dominated the hearts and minds of the people We were all brought up committing The Abomination of Desolation by keeping Easter over Passover We came out of Babylon repented and looked for answers as to how we keep His Appointed Times yet we then began following the human traditions of the Pharisees known today as Rabbinical Judaism We literally went from one pagan ritual to another remaining unfaithful in our attempts at obedience by not following the example set by Yahusha on Passover This book will give us all clear instructions on how to properly enter The Narrow Gate by following the true way that leads to eternal life The Truth the Way and the Life example of our Messiah The Narrow Gate is very narrow and very few there are that find it In this book I am going to explain that narrow gate and why it is so very narrow
