The Magic Of Mindset Angela M. Clubb, 2021-01-18 Insanity is defined as doing the same thing over and over again expecting a different result By changing your mind you change your life Change is inevitable and usually occurs at the most inopportune times What if you could control or channel the change in a manner you dictate What if you could create your ideal life in the way you decide Would you take the leap of faith or would you roll along the same path hoping and praying things will just work out In truth there is no magic pill to make this happen overnight However there is the Law of Attraction LOA By understanding the Law of Attraction you can recode your brain to create the life you desire from losing weight to manifesting money to living the life you have always wanted This book will provide you both the understanding and the practical guidance on how the Law of Attraction can change your life By the end of the book you will have the confidence to begin your own journey to obtaining anything you can imagine You are only limited by the limits you put on your mind
