In this book, we reveal the behind-the-scenes story of Mossad's greatest triumph: the operation to expose Iran's nuclear weapons program. Through in-depth research and interviews with key players, the author delves into the tactics and techniques used by Mossad to gather evidence of Iran's covert nuclear activities. From infiltrating Iranian nuclear facilities to recruiting insider sources, this book is a fascinating look at the inner workings of Mossad and the lengths it will go to protect the safety and security of Israel. Israel, since its formation as a country, has been seen as a usurper of the land formerly owned by its neighbor, Palestine. An argument that will continue until one of the countries is either destroyed or disarmed. Be that as it may, the drive and mercilessness of the Mossad is able to keep Israel's head above water and their interests intact. However, Israel's national intelligence agency's reach is far greater than just the Middle East. They have a global network. The Mossad is one of the most well-known intelligence agencies in the world. It has been involved in some of the most high-profile covert operations in history, from the capture of Nazi war criminal Adolf Eichmann to the assassination of Iranian nuclear scientists. Despite its reputation as a secretive organization, the Mossad has captured the imagination of people all over the world.
