 Steven Wheeler,2021-11-11 *Serving a Crucified King* speaks to a growing crisis within the contemporary church one of
 misplaced allegiance and misguided discipleship If Jesus Christ is who we claim him to be then we must ask ourselves Are we
 truly conducting our lives and constructing our communities in light of that astonishing reality But as long as the
 contemporary church continues to act in a manner so seemingly at odds with the mission and message of Jesus it remains in
 a state of emergency Albeit a serious charge solving this crisis is of the utmost importance if we are to live once again in
 faithful obedience to Jesus Christ as king The magnitude of the problem necessitates the establishment of a movement of
 kingdom citizens devoted to the cruciform reign of Christ and committed to a wholesale transformation in thinking and
 practice within the church To this end *Serving a Crucified King* is a clarion call back to the real work of being a disciple of
