The Ever War Elder Conrad Jarrell,2015-08-23 The King James Bible teaches that God created the entire universe in Six Days that all the Holy Angels for they all still were sang together and shouted for joy and that God saw that Everything that He had made was very Good for it all still was Then the Seventh Day Everything changed save only God the Elect Holy Angels and their heavenly Abode This book is about Who and What and Why and How those Changes were made It is the Story of Life and Death Holiness and Sin Heaven and Hell Angels and Demons The Seed of The Woman and The The Seed of The Serpent It is the Story of the single Throne of God and of many Unidentified Flying Objects It is the Story of the Human Race and of Another Race which only looks human and of still Others which don t at all It is the Story of an Innocent Man Who died on a Cross and rose to be Lord on the Throne of Heaven and of a Guilty Cherub who fell from Glory and will rot forever in a Lake of Fire This book is The Story of The Ever War

Unseen War Bob White,2022-08-01 In the beginning God created the heavens and the Earth is familiar to most as the first verse in the Bible It describes the beginning of God s creation It could be argued that first He created the angels and other beings that inhabited the third heaven with Him But there is no argument among theologians that the angelic host was indeed created The author sets forth the firstborn of that creation as Helel ben Shachar which translates as Shining One son of the dawn or son of the Light It is here between the Light Jesus and Helel ben Shachar ultimately Lucifer that the conflict of conflicts arises It is some of the particulars thereof wherein the author believes that some of the mysteries of the universe and thus the Bible can be found In the Unseen War the author digs in depth into the questions of what has caused the constant war strife and destruction on the planet Earth and throughout the solar system and Galaxy Why is there such a dichotomy between the things that science bears witness to and what the Bible bears witness to Could there be some mistranslation on both sides As an engineer he takes a scientific view of the planet solar system and the universe and puts great stock in scientific discovery But as a Christian he believes that the Bible is not only factual but inherently and infallibly factual The Unseen War as discussed in

Merlin's War Margaret Doner,2012-04 Merlin s War The Battle between the Family of Light and the Family of Dark examines the fact that the history of the human race has been manipulated by a being so clever that we have had no idea he exists In fact he has hidden behind Lucifer but Lucifer is not our devil Much of what has been told to the human race has been designed to keep the truth at bay Whose purpose did it serve to keep the human race unaware of its own origins and ignoring huge pieces of obvious evidence because there is no logical explanation for it It certainly did not serve the human race Merlin is thought of by most humans as a simple embodiment of the wizard Merlin s War reveals that he is much more he is a powerful Creator God who is responsible for creating the human template and seeding life on the Earth Moreover Dracula is thought of as a fictional vampire when he is in fact the being we call Satan responsible for creating war and chaos on Earth and in other galaxies There are two points of view to this story and in order to be fair author Margaret Doner has agreed to tell both sides Merlin s War posits that it is time for the playing field to be evened out The Family of Dark has been in control for too long it s time for the Family of Light to move beyond the fear that has kept them enslaved **God's**

Revenge Evelyn Mundell,2010-12-09 An ancient Koine Greek manuscript is discovered that sheds fresh light on a host of long held beliefs History professor Etienne Naude discovers that the past present and future are inextricably linked and intertwined Things are not always as they appear to be a first glance This rollercoaster ride accelerates at an alarming pace Our unlikely team of unlikely heroes uncovers ancient mysteries that are directing present realities As they peel back the layers that hide the malevolent beast that has systematically burrowed into the fabric of all society from ancient times they uncover convoluted wheels within wheels At last the hidden enemy is revealed in its true reality They discover that God s

revenge is indeed an awesome thing We read the eye witness testimony of a survivor one who has witnessed this reality from the inside He describes a sickening holocaust of epic proportions that history has conveniently swallowed up and glossed over Man does not learn from the lessons of the past and is viciously inhumane towards his fellow man Our team members also see that God s love and grace to those who obey Him are infinite The helter skelter ride builds up inexorable velocity until it comes to a crashing climax which has included the international security forces as well as the CIA and the KGB Life can never be the same again

The Unseen Realm Heiser, Michael S.,2015-09-01 In *The Unseen Realm* Dr Michael Heiser examines the ancient context of Scripture explaining how its supernatural worldview can help us grow in our understanding of God He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight You ll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for God s Word Why wasn t Eve surprised when the serpent spoke to her How did descendants of the Nephilim survive the flood Why did Jacob fuse Yahweh and his Angel together in his prayer Who are the assembly of divine beings that God presides over In what way do those beings participate in God s decisions Why do Peter and Jude promote belief in imprisoned spirits Why does Paul describe evil spirits in terms of geographical rulership Who are the glorious ones that even angels dare not rebuke After reading this book you may never read your Bible the same way again

Endorsements There is a world referred to in the Scripture that is quite unseen but also quite present and active Michael Heiser s *The Unseen Realm* seeks to unmask this world Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture The book is clear and well done treating many ideas and themes that often go unseen themselves With this book such themes will no longer be neglected so read it and discover a new realm for reflection about what Scripture teaches

Darrell L Bock Executive Director for Cultural Engagement Senior Research Professor of New Testament Studies Howard G Hendricks Center for Christian Leadership and Cultural Engagement How was it possible that I had never seen that before Dr Heiser s survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped No one is going to agree with everything in his book but the subject deserves careful study and so does this book

John Goldingay David Allan Hubbard Professor of Old Testament School of Theology Fuller Theological Seminary This is a big book in the best sense of the term It is big in its scope and in its depth of analysis Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context All scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments particularly as their eyes are opened to the Bible s unseen world
