Wahlman, 2022-02-17 Providing an excellent example of why folk artists can be appreciated as carriers of knowledge even if they are unaware of it this book could change the ways we understand and appreciate American folk arts Connecting a sharecropper from Georgia in the Southern United States to a protector and healer in Touba Senegal West Africa the holy city of Mouridism and the final resting place of its founder Shaikh Ahmadou B mba Mb cke it makes an interesting link while examining the cultural aspects of two very different and yet similar paths of life Historians and art historians alike will find this investigation of African American art and folk culture both interesting and insightful Not only does this book trace the characteristics of art through the African Diaspora but it also traces Islam through those same diasporic transportations of colonial exploration and slavery
