God Knows You Esté Geldenhuys,2024-09-01 God longs to have a personal relationship with us From beginning to end we see God s love for His children in the Bible It is filled with examples of God s interactions with His people and His relationships with them Adam and Eve had close fellowship with God walking and talking with Him in the garden of Eden But with the fall this fellowship was broken Having a personal relationship with us was so important to God that it became the reason Jesus came to earth to die for our sins on the cross Only by His sacrifice could the separation caused by sin be erased to reconcile us with the Father in a restored and loving relationship once more The believer is therefore called back to a deeper fellowship with the Holy Trinity With all of this in mind the author delves into the intricacies of God s love for us and who He truly is She also shows how traditions in which people often place their faith can hinder us from establishing and enjoying a true and intimate relationship with God Discover who God truly is in terms of His character and attributes and His plans for us and how well He knows loves and understands us
