Georgie Harvey and John Franklin Collection Sandi Wallace, 2022-06-30 All four books in Georgie Harvey And John Franklin a series of rural crime fiction by Sandi Wallace now in one volume Tell Me Why Melbourne writer Georgie

Harvey heads to the mineral springs region in central Victoria to look for a missing farmer and soon links the woman's disappearance with the unsolved mystery surrounding her husband. Meanwhile maverick police officer and solo dad John Franklin is working a case that's a step up from Daylesford's usual soft crime: a stalker targeting single mothers. When Georgie reports the missing person to local cops, sparks fly between her and Franklin. But what will the truth cost? Dead Again. Almost two years have passed since wildfires ravaged the tiny town of Bullock and Melbourne journalist Georgie Harvey is on assignment to write a feature story on the anniversary of the tragedy. Across the state in Daylesford, police officer John Franklin is investigating a spree of vandalism and burglaries while champing to trade his uniform for the plain clothes of a detective. When Georgie's story and Franklin's cases collide, she not only finds herself back in conflict with the man she's been trying to forget but also uncovers the truth about how the fires started. A secret someone might kill to keep. Into The Fog. Melbourne journalist Georgie Harvey is on hand when three children disappear from a police-run camp in the Dandenong Ranges. When Daylesford cop John Franklin hears the news, he feels responsible for the young siblings and abandons his post to join the search. As a snap polar storm intensifies, every minute is vital. Pushed away from the case by local detectives, Franklin and Georgie soon find a connection to a serial predator and another missing girl. But even if they risk everything, can they avert tragedy? Black Cloud. After a fatal explosion that a rural community is reeling from, local cop John Franklin and Melbourne journalist Georgie Harvey are among the first responders at the property. The crime scene is compromised by fire and water, and speculations run rife: Murder, suicide, accident, or sabotage. An isolated incident or just the beginning? As lives hang in the balance, Franklin seeks answers and someone to hold accountable while Georgie investigates her toughest story yet. But will one of them crack?

\$andCastle Spiro Milas, 2024-07-10. I was inspired in writing this book after reading the story of The Young Rich Ruler from the Holy Bible. Daniel Halbrook is a young middle-aged man living in an exquisite condominium in Manhattan, New York. SandCastle Living in SandCastle along with the trappings of money, women, and status has created an underlying euphoria in him, an exultation earned by managing three of the top restaurants in Manhattan, New York. This accomplishment appreciated even the more so as Daniel came from humble beginnings. All was euphorically status quo until experiences he could only attribute to the hand of God challenged his purpose in life. If God asks you to give up your riches to go spread the Gospel of Jesus Christ, would you do it? Not for salvation just because God asked you to, just for The Kingdom, for treasures in heaven. If we could repeat the story of The Young Rich Ruler, would we get it right this time? Let's explore this question together through the life of Daniel Halbrook.

Violence in Post-Conflict Societies Anders Themnér, 2011-05-10 This book compares post civil war societies to look at the presence or absence of organized violence analysing why some ex combatants return to organised violence and others do not Even though former fighters have been identified as a major source of insecurity there have been few efforts to systematically examine why some ex combatants re engage in organized violence while others do not This book compares the presence or absence of organized violence in different ex combatant communities former fighters that used to belong to the same armed faction and who share a common horizontal identity based on shared war and peacetime experiences in the Republic of Congo ex Cobras Cocoyes and Ninjas and Sierra Leone ex Armed Forces Revolutionary Council Civil Defense Force and Revolutionary United Front The main determinants of ex combatant violence are whether former fighters have access to elites and to second tier individuals such as former mid level commanders who can act as intermediaries between the two By utilizing relationships based on selective incentives and social networks these two kinds of remobilizers are able to generate the needed enticements and feelings of affinity trust or fear to convince ex combatants to resort to arms These findings

demonstrate that the outbreak of ex combatant violence can only be understood by more clearly incorporating an actor perspective focusing on three levels of analysis the elite midlevel and grass root This book will be of much interest to students of peacebuilding civil wars post conflict reconstruction war and conflict studies security studies and IR

Kingdom Politics Kristopher Norris,Sam Speers,2015-04-16 American Christians weary of decades of entrenched partisan feuding are increasingly distancing themselves from politics Some however continue to turn toward the state and public policy to find solutions to the world s problems The problem is that both responses allow a narrow vision of politics to determine the church s mission and ministries which often ends up separating its commitment to personal faith from the pursuit of social justice the King from the kingdom Christians too easily forget that the church is inherently political a community defined by its allegiance to a King its citizenship in a new world and its call to work alongside others in pursuit of a new way of life The church needs a political vision that is more than blind acceptance or mere rejection of past models It needs a positive vision that takes its cues about politics not from the nation state but from another political reality the kingdom of God This book tells the stories of the visits of two researchers to five diverse congregations across the United States From the megachurch energy of Rick Warren s Saddleback Church in California to a young Emergent community in Minneapolis to the politically active home of Martin Luther King in Atlanta these stories illuminate the vastly different ways congregations understand and approach politics and offer a glimpse of a new political imagination for today s church embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% **Exalting Jesus in**

quickly And what will the truth cost *A Mountain of Evidence* Pastor Randy French, 2020-09-01 Wouldn't you like to know today the standard by which you will be judged in eternity tomorrow That is exactly what Jesus does in the greatest sermon ever told The Sermon on the Mount Jesus said For I tell you that unless your righteousness surpasses that of the Pharisees and the teachers of the law you will certainly not enter the kingdom of heaven Mt 5 20 This opener provides the basis for His sermon which spans three chapters in Matthew In it Jesus provides for us a comparison between two kingdoms the kingdom of heaven and the kingdom of self In His sermon Jesus gives us all insight into what a true Christian looks like acts like sounds like and even thinks like The Pharisees were known for their strict adherence to the law and their traditions Jesus makes it clear to them and to us in this sermon that adherence to the law will not count for eternity Only by clothing oneself in Christ's righteousness can one hope for eternal life The world and even the Church at times attempts to redefine a Christian in a way that cheapens Christianity to make it more palatable and pleasing to the unbeliever Pastor and Martyr Dietrich Bonhoeffer called this cheap grace But the true Christian will not be measured by the world's or even the church's standards Each and every person will stand before a righteous Judge and be made to give an account for his or her life according to God's Word This book is a line by line explanation of Christ's expectations for every person who professes to be saved by the blood of Jesus Christ In essence it is a manual to help us all to understand what it means to be a Christian
