**Bert A. Rockman, Andrew Rudalevige**

## **The Oath The Obama White House And The Supreme Court:**

**The Obama White House and the Supreme Court** Jeffrey Toobin, 2016-10-04 A Vintage Shorts Selection The bestselling and prizewinning author of *The Nine* and *American Heiress* tells the dramatic and gripping insider's story of the momentous ideological war fought between the Obama White House and the Supreme Court President Obama and Chief Justice Roberts could not be more different Obama a legal conservative grappling with the second amendment among other issues believes in the close interpretation of the Constitution incremental change and pragmatism over ideology But for Roberts the law is all about winning And from the moment he botched Obama's oath of office in 2009 the relationship between the Court and the White House has been fraught This is essential history that unravels the forces that have shaped the Roberts Court over the last eight years The nation is preparing to vote for its next president and it bears remembering that the future of the Supreme Court will also be on the ballot An ebook short *The Battle for the White House from Bush to Obama* A. Bennett, 2013-10-02 Anthony Bennett guides us through the events of the four elections of the 21st century showing how this era of partisanship has reshaped not only presidential nominations and elections but the American presidency and politics itself **Obama v. Trump** Harrington Clodagh Harrington, 2020-09-21 Examines how Trump's election as President signals a rollback of the Obama years Establishes what can be regarded as Obama's legacy in both domestic and foreign policy Investigates how far the Trump administration up to the 2018 mid terms undoes Obama's legacy legacy Focuses on meaningful shifts in presidential priorities policy changes and the imprint of presidential leadership Case studies on specific policy areas where presidential undoing has had a significant impact or has been thwarted such as health care reform and immigration policy In 2008 in what seemed a seminal moment for the country's politics the United States elected an African American as President Yet eight years later in the form of Donald Trump the nation put in office a man who was the very antithesis of his predecessor This book determines what can legitimately be regarded as the legacy of the Obama presidency and investigates how far the Trump administration has reversed it The analysis is embedded in a historical context based on examination and scrutiny of how and how successfully presidents in the modern era have overturned the work of their predecessor when they have attempted to do so The authors focus on meaningful priority shifts policy changes and the imprint of presidential leadership providing a framework for assessing Obama's legacy which in turn affords context to a discussion of the Trump administration's capacity to fulfil its promise to reverse the direction taken by the Obama White House Looking beyond the noise and hyperbole the book examines how robust the Obama legacy has proved to be in the face of Trump's challenge **The Oxford Handbook of U.S. Judicial Behavior** Lee Epstein, Stefanie A. Lindquist, 2017 The Oxford Handbook of U.S. Judicial Behavior offers readers a comprehensive introduction and analysis of research regarding decision making by judges serving on federal and state courts in the U.S. Featuring contributions from leading scholars in the field the Handbook describes and explains how the courts political and social context formal institutional structures and

informal norms affect judicial decision making The Handbook also explores the impact of judges personal attributes and preferences as well as prevailing legal doctrine influence and shape case outcomes in state and federal courts The volume also proposes avenues for future research in the various topics addressed throughout the book Consultant Editor for The Oxford Handbooks of American Politics George C Edwards III     The Supreme Court Lawrence Baum,2015-10-05 The Supreme Court Twelfth Edition examines all major aspects of the highest court in the nation from the selection of justices and agenda creation to the decision making process and the Court s impact on government and U S society Delving deeply into personalities and procedures author Lawrence Baum provides a balanced explanation of the Court s actions and the behavior of its justices as he reveals its complexity reach and influence This new edition gives particular attention to current developments such as the impact of political polarization on the Court the justices increasingly public roles and recent rulings on same sex marriage and health care     **The Obama Legacy** Bert A. Rockman,Andrew Rudalevige,2019-05-31 Hope and change were the keywords of President Barack Obama s 2008 campaign and in his farewell address on January 10 2017 he cited the evidence that he d delivered from reversing the Great Recession rebooting the auto industry and unleashing the longest stretch of job creation in the nation s history to winning marriage equality and securing the right to health insurance for another 20 million citizens At the same time and with a view to the country s divisive polarization he made a plea for the decency of our people and the sense of common purpose that we so badly need right now In hindsight it is increasingly possible to understand whether and how Obama s legacy matched his rhetoric as well as to evaluate from various angles what his presidency accomplished and what this has meant for US politics public policy and civic life going forward In The Obama Legacy some of the leading observers and scholars of US politics take up this challenge In twelve essays these writers examine Obama s choices operating style and opportunities taken and missed as well as the institutional and political constraints on the president s policy agenda What were Obama s personal characteristics as a leader What were the policy aspirations output and strategy of his presidency What was his role as a political and public leader to the various constituencies needed to generate presidential power And how did his presidency interact with other political forces Addressing these questions and others the authors analyze Obama s preferences tactics successes and shortcomings with an eye toward balancing the personal and institutional factors that underlie each all the while considering how resilient or fragile Obama s legacy will be in the face of the Trump administration s eager efforts to dismantle it     *The Supreme Court in a Separation of Powers System* Richard Pacelle,2015-01-09 The U S Supreme Court is not a unitary actor and it does not function in a vacuum It is part of an integrated political system in which its decisions and doctrine must be viewed in a broader context In some areas the Court is the lead policy maker In other areas the Court fills in the gaps of policy created in the legislative and executive branches In either instance the Supreme Court s work is influenced by and in turn influences all three branches of the federal government as well as the interests and opinions of the American people Pacelle analyzes the

Court's interaction in the separation of powers system detailing its relationship to the presidency Congress the bureaucracy public opinion interest groups and the vast system of lower courts The niche the Court occupies and the role it plays in American government reflect aspects of both the legal and political models The Court has legal duties and obligations as well as some freedom to exercise its collective political will Too often those studying the Court have examined it in isolation but this book urges scholars and students alike to think more broadly and situate the highest court as the balance wheel in the American system

**Too Close to Call** Jeffrey Toobin, 2001-10-02 From the best selling author of *A Vast Conspiracy* and *The Run of His Life* comes *Too Close to Call* the definitive story of the Bush Gore presidential recount A political and legal analyst of unparalleled journalistic skill Jeffrey Toobin is the ideal writer to distill the events of the thirty six anxiety filled days that culminated in one of the most stunning Supreme Court decisions in history Packed with news making disclosures and written with the drive of a legal thriller *Too Close to Call* takes us inside James Baker's private jet through the locked gates to Al Gore's mansion behind the covered up windows of Katherine Harris's office and even into the secret conference room of the United States Supreme Court As the scene shifts from Washington to Austin and into the remote corners of the enduringly strange Sunshine State Toobin's book will transform what you thought you knew about the most extraordinary political drama in American history The Florida recount unfolded in a kaleidoscopic maze of bizarre concepts chads pregnant and otherwise unfamiliar people in critically important positions the Florida Supreme Court and familiar people in surprising new places the Miami relatives of Eli n Gonz lez in a previously undisclosed role in this melodrama With the rich characterization that is his trademark Toobin portrays the prominent strategists who masterminded the campaigns the Daleys and the Roves and also the lesser known but influential players who pulled the strings as well as the judges and justices whose decisions determined the final outcome Toobin gives both camps a treatment they have not yet received remarkably evenhanded nonpartisan and entirely new The post election period posed a challenge to even the most zealous news junkie how to keep up with what was happening and sort out the important from the trivial Jeffrey Toobin has now done this and then some With clarity insight humor and a deep understanding of the law he deconstructs the events the players and the often Byzantine intricacies of our judicial system A remarkable account of one of the most significant periods in our country's history *Too Close to Call* is endlessly surprising frequently poignant and wholly addictive

### **Historical**

**Dictionary of the Civil Rights Movement** Christopher M. Richardson, Ralph E. Luker, 2014-06-11 The fiftieth anniversary of many major milestones in what is commonly called the African American Civil Rights Movement was celebrated in 2013 Fifty years removed from the Birmingham campaign the assassination of Medgar Evers and the March on Washington and it is clear that the sacrifices borne by those generations in that decade were not in vain Monuments museums and exhibitions across the world honor the men and women of the Movement and testify to their immeasurable role in redefining the United States The second edition of *Historical Dictionary of the Civil Rights Movement* is a guide to the history of the African

American struggle for equal rights in the United States The history of this period is covered in a detailed chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities significant legal cases local struggles forgotten heroes and prominent women in the Movement This book is an excellent access point for students researchers and anyone wanting to know more about the Civil Rights Movement

**Financing Public Schools** Kern Alexander, Richard G. Salmon, F. King Alexander, 2014-09-15 Financing Public Schools moves beyond the basics of financing public elementary and secondary education to explore the historical philosophical and legal underpinnings of a viable public school system Coverage includes the operational aspects of school finance including issues regarding teacher salaries and pensions budgeting for instructional programs school transportation and risk management Diving deeper than other school finance books the authors explore the political framework within which schools must function discuss the privatization of education and its effects on public schools offer perspectives regarding education as an investment in human capital and expertly explain complex financial and economic issues This comprehensive text provides the tools to apply the many and varied fiscal concepts and practices that are essential for aspiring public school administrators who aim to provide responsible stewardship for their students Special Features Definitional Boxes and Key Terms throughout chapters enhance understanding of difficult concepts Coverage of legal political and historical issues provides a broader context and more complex understanding of school finance Offers in depth exploration of business management of financial resources including fiscal accounting school facilities school transportation financing with debt and the nuances of school budgeting techniques Untrodden Ground Harold H. Bruff, 2024-05-31 When Thomas Jefferson struck a deal for the Louisiana Purchase in 1803 he knew he was adding a new national power to those specified in the Constitution but he also believed his actions were in the nation's best interest His successors would follow his example setting their own constitutional precedents Tracing the evolution and expansion of the president's formal power Untrodden Ground reveals the president to be the nation's most important law interpreter and examines how our commanders in chief have shaped the law through their responses to important issues of their time Reviewing the processes taken by all forty-four presidents to form new legal precedents and the constitutional conventions that have developed as a result Harold H Bruff shows that the president is both more and less powerful than many suppose He explores how presidents have been guided by both their predecessors and their own interpretations of constitutional text as well as how they implement policies in ways that statutes do not clearly authorize or forbid But while executive power has expanded far beyond its original conception Bruff argues that the modern presidency is appropriately limited by the national political process their actions are legitimized by the assent of Congress and the American people or rejected through debilitating public outcry judicial invalidation reactive legislation or impeachment Synthesizing over two hundred years of presidential activity and conflict this timely book casts new light on executive behavior and the American constitutional system **The Politics of Major Policy Reform in**

**Postwar America** Jeffery A. Jenkins, Sidney M. Milkis, 2014-10-31 The Politics of Major Policy Reform in Postwar America examines the politics of recent landmark policy in areas such as homeland security civil rights health care immigration and trade and it does so within a broad theoretical and historical context By considering the politics of major programmatic reforms in the United States since the Second World War specifically courses of action aimed at dealing with perceived public problems a group of distinguished scholars sheds light not only on significant efforts to ameliorate widely recognized ills in domestic and foreign affairs but also on systemic developments in American politics and government In sum this volume provides a comprehensive understanding of how major policy breakthroughs are achieved stifled or compromised in a political system conventionally understood as resistant to major change     *The Democratic Constitution, 2nd Edition* Neal Devins, Louis Fisher, 2015-09-01 Constitutional law is clearly shaped by judicial actors But who else contributes Scholars in the past have recognized that the legislative branch plays a significant role in determining structural issues such as separation of powers and federalism but stopped there claiming that only courts had the independence and expertise to safeguard individual and minority rights In this readable and engaging narrative the authors identify the nuts and bolts of the national dialogue and relate succinct examples of how elected officials and the general public often dominate the Supreme Court in defining the Constitution's meaning Making use of case studies on race privacy federalism war powers speech and religion Devins and Fisher demonstrate how elected officials uphold individual rights in such areas as religious liberty and free speech as well as and often better than the courts This fascinating debunking of judicial supremacy argues that nonjudicial contributions to constitutional interpretation make the Constitution more stable more consistent with constitutional principles and more protective of individual and minority rights     *The Democratic Constitution* Neal Devins, Louis Fisher, 2015 Constitutional law is clearly shaped by judicial actors But who else contributes Scholars in the past have recognized that the legislative branch plays a significant role in determining structural issues such as separation of powers and federalism but stopped there claiming that only courts had the independence and expertise to safeguard individual and minority rights In this readable and engaging narrative the authors identify the nuts and bolts of the national dialogue and relate succinct examples of how elected officials and the general public often dominate the Supreme Court in defining the Constitution's meaning Making use of case studies on race privacy federalism war powers speech and religion Devins and Fisher demonstrate how elected officials uphold individual rights in such areas as religious liberty and free speech as well as and often better than the courts This fascinating debunking of judicial supremacy argues that nonjudicial contributions to constitutional interpretation make the Constitution more stable more consistent with constitutional principles and more protective of individual and minority rights     **American Dialogue** Joseph J. Ellis, 2018 We live in a divided America that is currently incapable of sustained argument and is feeling unsure of its destiny Ellis shows how the founders went back to the Greek and Roman classics for seasoned wisdom in their time and now he takes us back to our

classics America's founders In discussing Thomas Jefferson and racism John Adams and economic inequality James Madison and constitutional law George Washington and foreign policy Ellis reminds us that the founders' greatest legacy lies not in providing political answers but in helping us find a better way to frame the question adapted from jacket Second Thoughts Janet M. Ruane, Karen A. Cerulo, 2019-06-06 Introducing students to core sociological concepts by debunking popular misconceptions Is it true that numbers don't lie Is America the land of equal opportunity Is marriage a dying institution Oft-repeated adages like these shape our beliefs about the society we live in Each essay in *Second Thoughts* reviews a conventional wisdom familiar to both instructors and students The authors introduce relevant sociological concepts and theories in order to explain, qualify, and sometimes debunk that conventional wisdom This unique text encourages students to step back and sharpen their analytic focus 23 engaging essays reveal the complexity of social reality and demonstrate the role of sociology in everyday life **Constitutional Law for a Changing America** Lee Epstein, Thomas G. Walker, 2016-02-02 Judicial decisions are influenced by myriad political factors from lawyers and interest groups to the shifting sentiments of public opinion to the ideological and behavioral inclinations of the justices Authors Lee Epstein and Thomas G. Walker show how these dynamics shape the development of constitutional doctrine Known for fastidious revising and streamlining the authors incorporate the latest scholarship in the fields of both political science and legal studies and offer rock-solid analysis of both classic and contemporary landmark cases including key opinions handed down through the 2015 session Filled with supporting material photographs of the litigants sidebars comparing the U.S. with other nations and Aftermath boxes that tell the stories of the parties lives after the Supreme Court has acted the text encourages greater student engagement with the material and a more complete understanding of the American constitution *The Rise and Fall of the Voting Rights Act* Charles S. Bullock, Keith Gaddie, Justin J. Wert, 2016-04-12 On June 25, 2013, the U.S. Supreme Court handed down its decision in *Shelby County v. Holder* invalidating a key provision of voting rights law The decision the culmination of an eight-year battle over the power of Congress to regulate state conduct of elections marked the closing of a chapter in American politics That chapter had opened a century earlier in the case of *Guinn v. United States* which ushered in national efforts to knock down racial barriers to the ballot A detailed and timely history *The Rise and Fall of the Voting Rights Act* analyzes changing legislation and the future of voting rights in the United States In tracing the development of the Voting Rights Act from its inception Charles S. Bullock III, Ronald Keith Gaddie, and Justin J. Wert begin by exploring the political and legal aspects of the Jim Crow electoral regime Detailing both the subsequent struggle to enact the law and its impact they explain why the Voting Rights Act was necessary The authors draw on court cases and election data to bring their discussion to the present with an examination of the 2006 revision and renewal of the act and its role in shaping the southern political environment in the 2008 and 2012 presidential elections when Barack Obama was chosen Bullock, Gaddie, and Wert go on to closely evaluate the 2013 *Shelby County* decision describing how the ideological makeup of the Supreme

Court created an appellate environment that made the act ripe for a challenge Rigorous in its scholarship and thoroughly readable this book goes beyond history and analysis to provide compelling and much needed insight into the ways voting rights legislation has shaped the United States The Rise and Fall of the Voting Rights Act illuminates the historical roots and the human consequences of a critical chapter in U S legal history African Americans on Television David J. Leonard, Lisa Guerrero, 2013-04-23 A comprehensive look at the history of African Americans on television that discusses major trends in black TV and examines the broader social implications of the relationship between race and popular culture as well as race and representation Previous treatments of the history of African Americans in television have largely lacked theoretical analysis of the relationship between representations and social contexts African Americans on Television Race ing for Ratings fills the existing void by supplying fundamental history with critical analyses of the racial politics of television documenting the considerable effect that television has had on popular notions of black identity in America since the inception of television Covering a spectrum of genres comedy drama talk shows television movies variety shows and reality television including shows such as Good Times The Oprah Winfrey Show and Chappelle s Show this insightful work traces a cultural genealogy of African Americans in television Its chronological analysis provides an engaging historical account of how African Americans entered the genre of television and have continued to play a central role in the development of both the medium and the industry The book also tracks the shift in the significance of African Americans in the television market and industry and the changing but enduring face of stereotypes and racism in American television culture **Culture Wars** Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today
