**Choosing College** Michael B. Horn,Bob Moesta,2019-08-20 Cut through the noise and make better college and career choices This book is about addressing the college choosing problem The rankings metrics analytics college visits and advice that we use today to help us make these decisions are out of step with the progress individual students are trying to make They don t give students and families the information and context they need to make such a high stakes decision about whether and where to get an education Choosing College strips away the noise to help you understand why you re going to school What s driving you What are you trying to accomplish Once you know why the book will help you make better choices The research in this book illustrates that choosing a school is complicated By constructing more than 200 mini documentaries of how students chose different postsecondary educational experiences the authors explore the motivations for how and why people make the decisions that they do at a much deeper causal level By the end you ll know why you re going and what you re really chasing The book Identifies the five different Jobs for which students hire postsecondary education Allows you to see your true options for what s next Offers guidance for how to successfully choose

your pathway Illuminates how colleges and entrepreneurs can build better experiences for each Job The authors help readers understand not what job students want out of college but what Job students are hiring college to do for them Full Potential GMAT Sentence Correction Intensive Bara Sapir, MA, Karen van Hoek, PhD, 2021-01-15 Master Content Upgrade your Mind Elevate your Score Includes Bonus TPNY Full Potential Handbook for test day success 200 detailed examples and valuable tips based on real GMAT questions Effective approaches for non native speakers and different learning styles Fool proof techniques for mastering each type of Sentence Correction question 30 exercises for peak performance drawn from sports psychology mindfulness and holistic health With this book you ll learn the Sentence Correction concepts and the critical thinking skills required to succeed on the verbal portion of the GMAT While other books help you only with the GMAT content TPNY s Full Potential Handbook included free gives you the competitive edge effective methods to access your optimum emotional and psychological state while you study and when you take the GMAT This is the only book that creates the best case scenario on test day SC content mastery combined with the best mindset to answer test questions efficiently and correctly Test Prep New York is the only test preparation company to fuse content and strategy based learning with holistic stress reduction memory improvement and confidence building techniques The Full Potential section in this book is a welcome guide for those who want to go beyond just studying hard it addresses all the psychological and emotional processes involved in test taking Students of Sapir s holistic approach have enjoyed success in New York City for years Now others can learn about and incorporate the valuable techniques described in this clear and easy to read guide The techniques are effective and time tested Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety as well as those striving for peak performance Tom Akiva PhD Assistant Professor University of Pittsburgh School of Education Bara Sapir s TPNY s progressive test preparation technique is good for test takers who want an edge when taking the test as well as test takers who require extra assistance The model is effective because it teaches mediation of cognitive academic attentional and emotional control This book contains the necessary ingredients to succeed on the GMAT it skillfully teaches the essential components of test taking through a clever blend of aggressiveness logic and relaxation After practicing the techniques herein the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past Dr Jason Smith School and Clinical Psychologist Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT We highly recommend this guide to all test takers seeking the 700 scores the top business schools like to see David Petersam President Admissions Consultants **Comparative Sociology of Examinations** Fumiya Onaka, 2019-03-28 Contemporary societies are constructed constricted and constrained by various series of examinations Governments of both Western and non Western countries tend to conduct detailed multi layered and continuous systems of tests or examinations International tests such as PISA and TIMSS have also been introduced to compare the relative performances of learners within diverse

educational institutions across different countries Examinations therefore provide a methodological pivot for comparing a range of societies They enable us to contrast the West and the East the North and the South tribal and mass society ancient and postmodern civilization and so on Comparing parallel societies from across Asia the Middle East Europe and North America this book proposes fundamental transitions in sociological research from system to process and from communication to composition through intensive studies on examinations It uses ethnographies interviews questionnaires documents statistics and big data analyses to make comparisons on broad scales of time and space In so doing it suggests hypotheses encompassing different kinds of societies in human history including those in the Axial Age and the Modern Ages

EASYUNI Ultimate University Guide 2014 EasyUni Sdn Bhd, 2014-07-02 Hi there It's nice to present you once again with another hot issue of easyuni On 11 June this year we launched the unifrens social platform an extension to easyuni's existing vision of providing comprehensive and accurate information to students about colleges and universities This is another milestone in the history of easyuni as one of Asia's most popular education portals committed to helping students with their higher education plans unifrens is a social platform which allows students searching for universities and colleges with similar interests to connect with each other to help them make unbiased and community driven decisions about their higher education It also allows them to connect with students who are currently enrolled at universities who can tell them about their experiences about a particular city country university or a course unifrens is something we had been planning for a while to complement our current family of tools for students We always knew that our users would love it as they want more community driven information instead of promotional content from universities and study abroad consultants I believe this feature will democratise the way information about specific courses countries or institutions is presented and this can only mean good news for students and their parents visitors as it helps them make more informed decisions about which course institution or country to pick Students can also pose questions to their groups which will be answered by experts and the community The feature is still in its beta stage but has gained massive traction with over 100 000 users already registered and assigned to groups Exciting isn't it The issue you're holding now has so much to offer as well So read every page and fill yourself with all the knowledge needed to make informed decisions about your higher education
