The Open Boat, and Other Tales of Adventure (1898) by Stephen Crane Stephen Crane,2016-05-31 The Open Boat is a short story by American author Stephen Crane 1871 1900 First published in 1897 it was based on Crane s experience of surviving a shipwreck off the coast of Florida earlier that year while traveling to Cuba to work as a newspaper correspondent Crane was stranded at sea for thirty hours when his ship the SS Commodore sank after hitting a sandbar He and three other men were forced to navigate their way to shore in a small boat one of the men an oiler named Billie Higgins drowned after

the boat overturned Crane's personal account of the shipwreck and the men's survival titled *Stephen Crane's Own Story* was first published a few days after his rescue. Crane subsequently adapted his report into narrative form and the resulting short story *The Open Boat* was published in *Scribner's Magazine*. The story is told from the point of view of an anonymous correspondent with Crane as the implied author; the action closely resembles the author's experiences after the shipwreck. A volume titled *The Open Boat and Other Tales of Adventure* was published in the United States in 1898; an edition entitled *The Open Boat and Other Stories* was published simultaneously in England. Praised for its innovation by contemporary critics, the story is considered an exemplary work of literary Naturalism and is one of the most frequently discussed works in Crane's canon. It is notable for its use of imagery, irony, symbolism, and the exploration of such themes as survival, solidarity, and the conflict between man and nature. H. G. Wells considered *The Open Boat* to be beyond all question the crown of all Crane's work. *The Open Boat* is divided into seven sections, each told mainly from the point of view of the correspondent based upon Crane himself. The first part introduces the four characters: the correspondent, a condescending observer detached from the rest of the group; the captain, who is injured and morose at having lost his ship yet capable of leadership; the cook, fat and comical but optimistic that they will be rescued; and the oiler, Billie, who is physically the strongest and the only one in the story referred to by name. The four are survivors of a shipwreck which occurred before the beginning of the story and are drifting at sea in a small dinghy. In the following four sections, the moods of the men fluctuate from anger at their desperate situation to a growing empathy for one another and the sudden realization that nature is indifferent to their fates. The men become fatigued and bicker with one another; nevertheless, the oiler and the correspondent take turns rowing toward shore while the cook bails water to keep the boat afloat. When they see a lighthouse on the horizon, their hope is tempered with the realization of the danger of trying to reach it. Their hopes dwindle further when, after seeing a man waving from shore and what may or may not be another boat, they fail to make contact. The correspondent and the oiler continue to take turns rowing while the others sleep fitfully during the night. The correspondent then notices a shark swimming near the boat but he does not seem to be bothered by it as one would expect. In the penultimate chapter, the correspondent wearily recalls a verse from the poem *Bingen on the Rhine* by Caroline Norton in which a soldier of the Legion dies far from home. The final chapter begins with the men's resolution to abandon the floundering dinghy they have occupied for thirty hours and to swim ashore.

The Portable Stephen Crane

Stephen Crane, 1877-07-28. A man is born into the world with his own pair of eyes, and he is not responsible for his vision; he is merely responsible for his quality of personal honesty. In the course of his tragically abbreviated career, Stephen Crane (1871-1900) saw things that his contemporaries preferred to overlook: the low life of New York's Irish slums, the tedium, brutality, and chaos that were the true conditions of the Civil War, the ambiguous contract that binds a terrified man to his killer and the damned to their human judges. He

communicated what he saw with the same laconic factuality that characterized his journalism and in the process laid the foundations for the unblinking realism of Hemingway and Dos Passos The Portable Stephen Crane allows us to appreciate the full scope and power of this writer s vision It contains three complete novels Maggie A Girl of the Streets George s Mother and Crane s masterpiece The Red Badge of Courage nineteen short stories and sketches including The Blue Hotel and The Open Boat a barely fictionalized account of his own escape from shipwreck while covering the Cuban revolt against Spain the previously unpublished essay Above All Things letters and poems plus a critical essay and notes by the noted Crane scholar Joseph Katz Delphi Complete Works of Stephen Crane (Illustrated) Stephen Crane,2014-01-25 The American novelist Stephen Crane is now recognised by modern critics as one of the most innovative writers of his generation Having won international acclaim in 1895 for his Civil War novel The Red Badge of Courage Crane was prolific throughout his short life creating notable works in the Realist and American Naturalism traditions Now readers can enjoy Crane s complete works for the first in publishing history in a single volume This comprehensive eBook presents numerous illustrations rare texts informative introductions and a wealth of bonus material Version 2 Beautifully illustrated with images relating to Crane s life and works Concise introductions to the novels and other texts ALL 6 novels with individual contents tables Includes the scarce novel GEORGE S MOTHER available in no other digital collection Images of how the books were first printed giving your eReader a taste of the original texts Excellent formatting of the texts All the short story collections including the rare THE OPEN BOAT AND OTHER TALES OF ADVENTURE appearing in this digital collection for the first time Special chronological and alphabetical contents tables for the short stories Easily locate the short stories you want to read Includes Crane s posthumously published non fiction work GREAT BATTLES OF THE WORLD fully illustrated Special Contextual Pieces section with many essays and reviews evaluating Crane s contribution to literature and his life and times Scholarly ordering of texts into chronological order and literary genres UPDATED with many rare posthumous stories and sketches CONTENTS The Novels Maggie 1893 The Red Badge of Courage 1895 George s Mother 1896 The Third Violet 1897 Active Service 1899 The O Ruddy 1903 The Short Story Collections The Little Regiment and Other Episodes from the American Civil War 1896 The Open Boat and Other Tales of Adventure 1898 The Monster and Other Stories 1899 Whilomville Stories 1900 Wounds in the Rain 1900 The Monster 1901 Men Women and Boats 1921 Miscellaneous Stories The Short Stories List of Short Stories in Chronological Order List of Short Stories in Alphabetical Order The Poetry Collections The Black Riders and Other Lines 1895 War is Kind 1899 The Non Fiction Great Battles of the World 1901 Contextual Pieces Essays and Reviews on Stephen Crane *Student Companion to Stephen Crane* Paul M.
