

The Oriental Experience

Angelo N Ancheta

The Oriental Experience:

Documents of the Asian American Experience Noriko Matsumoto, 2025-02-06 This curated and contextualized primary source collection examines the history of Asian Americans from precolonial times to the present day From their integral role in the expansion of transcontinental railroads in the 1800s to Japanese internment during World War II to being lauded as the model minority in the late 20th and early 21st centuries Asian American history is inextricable from the larger history of the United States Yet the contributions struggles and lived experiences of this diverse minority group have often gone unacknowledged Documents of the Asian American Experience features more than 80 documents across 17 time periods including newspaper articles personal accounts federal legislation propaganda pieces and more Readers will discover the multifaceted experiences of Chinese Japanese Korean Indian and Filipino Americans among others Essays at the beginning of each section provide an overview of the time period and the political economic and sociocultural factors influencing race relations at the time Concise introductions to each document provide necessary background information about the source and its significance

Social Transformation and Chinese Experience Peilin Li, 2017-03-16 China's success on economic growth and its exploration on political reform in the past few decades have attracted the attention from worldwide economic and political experts This book studies China's transformation and experience from a sociological perspective which broadens the research horizons and explores more complexity in contemporary China This book examines China's social structural transformation especially its implications on resource allocation and expounds on China's sociology academic history In addition it covers a broad range of issues including China's experience of reform and development urbanization social hierarchy change social conflicts social management mass consumption etc Lastly it investigates China's urban village as a byproduct of economic development and urbanization which is rarely seen in other countries These themes are key to understanding contemporary Chinese society which makes this book a valuable reference for specialists on Chinese studies and those who are interested in contemporary China

Race, Rights, and the Asian American Experience Angelo N Ancheta, 2006-11-16 In *Race Rights and the Asian American Experience* Angelo N Ancheta demonstrates how United States civil rights laws have been framed by a black white model of race that typically ignores the experiences of other groups including Asian Americans When racial discourse is limited to antagonisms between black and white Asian Americans often find themselves in a racial limbo marginalized or unrecognized as full participants Ancheta examines legal and social theories of racial discrimination ethnic differences in the Asian American population nativism citizenship language school desegregation and affirmative action In the revised edition of this influential book Ancheta also covers post 9 11 anti Asian sentiment and racial profiling He analyzes recent legal cases involving political empowerment language rights human trafficking immigrant rights and affirmative action in higher education many of which move the country farther away from the ideals of racial justice On a more positive note he reports on the progress Asian Americans have made in the corporate

sector politics the military entertainment and academia A skillful mixture of legal theories court cases historical events and personal insights this revised edition brings fresh insights to U S civil rights from an Asian American perspective **Voices of the Asian American and Pacific Islander Experience** Sang Chi,Emily Moberg Robinson,2012-02-13 This unique work presents an extraordinary breadth of contemporary and historical views on Asian America and Pacific Islanders conveyed through the voices of the men and women who lived these experiences over more than 150 years In 1848 the First Wave of Asian immigration arrived in the United States By the first decade of the 21st century Asian Americans were the nation s fastest growing racial group Through a far ranging array of primary source documents *Voices of the Asian American and Pacific Islander Experience* shares what it was like for these diverse peoples to live and work in the United States for better and for worse Organized chronologically by ethnicity the book covers a panoply of ethnic groups including recent Asian immigrants and mixed race mixed heritage Asian Americans There is also a topical section that showcases views on everything from politics to class to gender dynamics underscoring that the Asian American population is not nor has it ever been monolithic In choosing material the editors strove to make the volume as comprehensive as possible Thus readers will discover documents written by transnational adopted and homosexual Asian Americans as well as documents written from particular religious positions **Engineering Trouble: US-Chinese Experiences of Professional Discontent, 1905-1945** Thorben Pelzer,2023-07-31 In the early twentieth century the first large batch of Chinese civil engineers had graduated from the USA and together with their American senior colleagues returned to China They were enthusiastic about reconstructing the young republic by building new railways highways and canals but what the engineers experienced in China including mismanaged railways useless highways and silted canals did not always meet their expectations and ideals In this book Thorben Pelzer makes the stories of these Chinese and American engineers come to life through exploring previously unpublished letters rare images maps and a rich biographical dataset He argues that the experiences of these engineers include a myriad of contradictions disillusionment and discontent keeping the engineering profession in a constant flux of searching for its meaning and its place in Republican China **The Chinese Experience in Arizona and Northern Mexico** ,1980 *Chinese Society* Peilin Li,2012 There is growing interest in social transformation in contemporary China with much work published on the subject This book is different from other books in that it presents an overview of the work of Chinese sociologists on how Chinese society is changing It reports on a great deal of original research by leading outstanding Chinese scholars including extensive fieldwork and large scale social change survey data and covers comprehensively the full range of aspects of the subject It assesses developments since the beginning of reform in China and provides overall a comprehensive understanding of China s social development and of the likely impact of future social changes on China *The New Experience of the Supersensible* Jesaiah Ben-Aharon,2007 According to Rudolf Steiner s spiritual science the greatest spiritual event of our time is the renewal and reawakening of our human suprasensory

relationship to the higher spiritual worlds The force that leads to this development called by various names in different cultural and religious traditions is called the Christ impulse by Anthroposophy in accordance with Christian terminology Because of new naturally endowed suprasensory faculties human beings are increasingly able to experience and perceive through an act of grace the great spiritual force of the Christ impulse This experience is said to be a naturally given initiation and today we increasingly hear of such suprasensory experiences Today however a healthy approach to these natural phenomena requires us to comprehend suprasensory experiences with full awareness and clear thinking This book builds an all important bridge between the naturally given suprasensory experience and its conscious cognition As a result empirical suprasensory research can investigate the different aspects of Christ's etheric becoming and appearance in a way that both methodically and experientially fulfils the justified cognitive and scientific requirements of our age This new paperback edition adds a new introductory chapter

Oriental Panorama Reinhold Schiffer, 2023-11-20 The series IFAVL International Research in General and Comparative Literature is a platform for peer reviewed scholarly research in Comparative Literature Studies with a focus on European literatures Featured in the series are works that explore a variety of topics and concepts across a broad disciplinary range such as cosmopolitanisms postcolonialism multimedia gender cultural memory aesthetics and literary politics From 2005 onward the series Internationale Forschungen zur Allgemeinen und Vergleichenden Literaturwissenschaft will appear as a joint publication by Brill and for editions in German Weidler Buchverlag Berlin In this series authors and editors are asked to follow the MHRA style guide Authors are cordially invited to submit proposals and or full manuscripts to the publisher at BRILL Iulia Ivana or Masja Horn Please advise our Guidelines for a Book Proposal

Academic Experiences of International Students in Chinese Higher Education Mei Tian, Fred Dervin, Genshu Lu, 2020-02-20 Since China proposed its Belt and Road Initiative in 2013 to boost its influence on international affairs and cultivate international contacts who are friendly toward China the number of foreign students in China has surge exponentially Yet global political changes have added tensions and challenges to the education of international students This book is one of the first works to discuss the educational experiences of international students in China Using survey research and qualitative studies to study participants in degree bearing and language programmes at regular universities and Sino foreign universities located in different parts of the country the book covers a variety of topics across education including international students intercultural experience teacher student classroom interaction learning and teaching Chinese as a foreign language academic adaptation and identity formation in higher educational contexts This book is essential for researchers practitioners and policy makers of international student education in China It can also benefit prospective international students considering pursuing higher education in China

Thoreau and the Sociological Imagination Shawn Chandler Bingham, 2008 Disciplinary disobedience The seeds and fruit of thoreauvian thought Social structure and the American individual Progress social development and social change Thoreau's social inquiry Thoreau as a model for

reimagining sociology Among Our Books Carnegie Library of Pittsburgh,1909 **Monthly Bulletin of the Carnegie Library of Pittsburgh** Carnegie Library of Pittsburgh,1909 *History of Soybeans and Soyfoods in China, in Chinese Cookbooks and Restaurants, and in Chinese Work with Soyfoods Outside China (Including Taiwan, Manchuria, Hong Kong & Tibet) (1949-2022)* William Shurtleff; Akiko Aoyagi,2022-01-11 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 231 photographs and illustrations mostly color Free of charge in digital PDF format **The Post Magazine and Insurance Monitor** ,1909 *Sexuality and Subordination* Susan Mendus,Jane Rendall,2002-09-11 *Sexuality and Subordination* uses the insights of a range of disciplines to examine the construction of gender in nineteenth century Britain and France With contributions from history literature sociology and philosophy its interdisciplinary approach demonstrates the extent to which a common focus can illuminate problems inaccessible to any single discipline Victorianism is generally understood to mean sexual double standards hypocrisy and prudery among the middle classes But as this collection shows the representation of sexuality in the nineteenth century was more diverse and complex than is sometimes realized Both art and literature point to the deployment of sexual metaphors and imagery and the language of educated public opinion was shaped by the dichotomy between mind and matter between rationality and sexuality The contributors to this volume explore how women in questioning their subordination had to challenge a construction of femininity which imposed sexual ignorance *The Universal God* James E. Will,1994-01-01 How can Christians bring about peace and justice in the world when Christianity seems either to claim the absolute truth about God or to dissolve into disempowering relativism James Will seeks an answer for this crucial question in the spiritual and intellectual life of the church He challenges the traditional western idea of God as omnipotent and unchanging instead offering the theory of the universal relationality of God Writing from the perspective of process theology Will says that just as God had an impact on the world so the world has an impact on God God is related and responsive to the world In the modern world where many cultures and belief systems are in contact and often conflict with one another Will s broadening of the conception of God offers an integration of many cultures and beliefs recognizing their relatedness without reducing any of them In this way Will believes the universal God may bring love and peace to a pluralistic and often divided world Overtourism and Cruise Tourism in Emerging Destinations on the Arabian Peninsula Manuela Gutberlet,2023-07-31 Cruise tourism is one of the fastest growing sectors worldwide This book is the first of its kind to provide in depth insights into the emergence of mega cruise tourism in destinations on the Arabian Peninsula and its impacts on local communities their spaces cultures identities and tourist experiences It offers a micro sociological analysis calling for holistic participatory mindful approaches and to rethink current exploitative tourism planning and development It assumes a high political social and economic importance within globalization It draws on a long term field study in an under researched region in Asia that developed large scale tourism recently to diversify the economy The book provides insights on the

destination development from a state of continuous growth to a sudden fall in tourism activities due to a sudden shock caused by the global health pandemic and its resilience It explores the sociocultural economic and spatial challenges faced in international tourism development and its power relations analysed from different perspectives and within time It analyses time space compression overtourism urban tourism nature based tourism enclavization social capital imaginaries Cultural Ecosystem Services slow tourism as well as just tourism The book provides an innovative contribution to the planning and development of tourism destinations communities and their spaces in which tourism operates in a fast pace It will be of interest to academics undergraduate and postgraduate students in the field of tourism and hospitality management geography sociology anthropology urban planning and environmental sciences Moreover the book will be useful for practitioners and policymakers around the globe as well as all those interested in the fast emergence and the impacts of mega cruise tourism

The Touch of God Charles R. Meyer, 2002-05-30 The most important matter of concern for theologians today as always is the existence of God Theologians of the past have relied upon rational proofs for God's existence especially those based on an analysis of contingency and causality These Thomistic proofs served their purpose in a culture that was permeated with philosophical orientations and metaphysical argumentation But such logical arguments seem to have lost their relevance in our technological age Many people today are looking to religion not so much for spiritual guidance counseling or psychotherapy as for some kind of experience of the mystery which is God Individuals seeking meaning and hope in their lives are not comforted by a God described as the Necessary Cause or Unmoved Mover Rather they seek to experience the presence of the personal and loving God of Biblical revelation and the Judeo Christian tradition They search for signs of the divine presence in their daily life experiences This problematic of identifying God's presence in an experience may necessitate the construction of an entirely new theological methodology radically different from the traditional one which proceeded largely by way of rational analysis Realizing this Father Meyer analyzes from the theological point of view the experience of God's presence in daily life and surveys the criteria and norms by which that experience can be identified as being of divine origin He also includes an analysis of the fundamental yet often forgotten role of the Holy Spirit in religious experience thereby exploring the basis of the current Pentecostal movement

A New Study on the Judicial Administrative System with Chinese Characteristics Yong'an Ren, Xianyang Lu, 2020-05-13 This book offers a comprehensive introduction to China's judicial administration system It presents in depth analyses of the country's current judicial administration system as well as a new theory on the system that is based on the realities of today's China and provides guidance on reform The book examines the system as a whole as well as various specific aspects of judicial administration putting forward bold theoretical proposals for improving China's judicial administration system and judicial system in general

Reviewing **The Oriental Experience**: Unlocking the Spellbinding Force of Linguistics
