The Other Side of Calvinism Laurence M. Vance, 1991      Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no      **Building Thereupon** Kyle F. Stephens, 2020-05-12 Christianity has become increasingly careless about Biblical truth doctrine and the Christian's testimony Building Thereupon demonstrates how after salvation carefully laying steadfast doctrinal truths one upon another forms the proper structure for fruitful and victorious Christian living The Bible admonishes believers to lay precept upon precept line upon line Christian faith and truth are to be built upon the firm Foundation Jesus Christ But what happens to faith if the first great truths are misunderstood Building Thereupon offers an in depth discussion of Biblical doctrine the knowledge of the things that relate to God and to the Lord Jesus Christ It shows that believers need to understand the details of their own salvation or else be vulnerable to deception in other critical parts of the Christian life The Lord gives truths intended for every Christian and these truths better equip each child of God to realize steadfastness maturity and the will of God Building Thereupon presents a convincing validation to earnest Bible believers demonstrating that the body of correct Christian theology need not be rife with obscurity contradiction and inconsistencies The great Biblical truths flow together fit seamlessly and fall into order when doctrine is believably laid precept upon precept and line upon line      **And with All Your Mind** Steven H. Propp, 2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and

weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with lifes realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world
