## **The Paranormal Detection Agency:**

**The Paranormal Detection Agency** Anne Brooke, 2016-12-26 When paranormal investigator Jack Atkinson meets new client Aaron Riley he doesn't expect the attraction he feels for the man. Neither does he expect the haunting Aaron describes and which Jack is determined to solve. After their first meeting the two men begin a passionate affair which Jack is keen to continue. However Aaron's attentions are focused on the need to rid himself of his ghosts and soon Jack discovers family secrets can run deeper than even he imagined. Will the truth destroy Jack and Aaron's budding relationship or are they strong enough to survive it? Reviews: The characters are fun. They are well developed and you get to like them. They are as believable as a paranormal investigator and the man who falls for him can be. And I have to say the suspense of the book, the drama, finding the answers to the questions the haunting brings about is fun and well done in the tradition of some of the mystery writers of our time. I really enjoyed *The Paranormal Detection Agency* and recommend it for a quick fun read that is not just like everything else. You will like it. From a review at GGR Reviews: Anne Brooke created an amazing cast of characters for *The Paranormal Detection Agency*. Each had their own particular brand of snark. At the same time they were each quite capable when the going got tough. The ending was unexpected but the finale was glorious. Take in *The Paranormal Detection Agency* by Anne Brooke and see for yourself. From a review at Sensual Reads: *The Paranormal Detection Agency* is an entertaining read. Ghost, crazy family, and handsome men: what a paranormal fan could pass it up. I love the relationship between Jack and Aaron. I look forward to reading more books by Ms. Brooke. From a review at Coffee Time Romance:

Occult Investigator Bob Johnson, 2013-02 *Occult Investigator: Real Cases from the Files of X Investigations* chronicles author and private detective Bob Johnson's REAL WORLD experiences investigating all manner of paranormal and occult events. He is the founder of the world's only occult and paranormal investigation firm, X Investigations, that's affiliated with a licensed New York City private investigations company. Unlike the myriad ghost busting teams that garner media attention for their scary photos and creepy sound recordings, Johnson and X Investigations first uses its PI resources to verify if a case warrants any kind of actual occult solutions and if so, confronts the events face to face using clairvoyant and proven ritualistic methods. Their company credo: We Face Your Fears. He's the Sam Spade of ghosts, witches, demons, and things that scare the hell out of you at night who's studied under preeminent ghost hunter Hans Holzer. That's the best way to describe the protagonist and real life pilgrim of the night as he and his voluptuous Czech sidekick Silvana recount their adventures into the supernatural around the globe. The author takes you on a roller coaster ghost busting ride across the country and even into the dark woods of Transylvania that's right in Romania. In eleven riveting chapters written in a hard-boiled detective staccato style, the X Investigations team reveals the details of their most frightening and in some ways totally unexplained occult cases. Unlike the myriad paranormal investigations and ghost hunting books on the market, *Occult Investigator* tackles more bizarre challenges including a computer cursed by black magick, a vampire teen who has a blood-sucking psychic link

**It's Called Murder, Brenda. Look It up!** Dakota Cassidy, 2025-08-05 Welcome to my worst effin nightmare The Accidental Detective Agency I'm Nina Statleon a vampire with a little bit of witch thrown in for good measure a sucky magicless one if anyone asks for those interested My best friends Marty a werewolf and Wanda a halvesie have talked me into opening a detective agency for paranormals Let me be real clear I do not want to be a detective and I think this idea is bananas Now the dungeon in my castle in Long Island is our new office I call the murder basement filled with watercolor landscapes throw rugs and uncomfortable furniture all in the name of making our clients comfortable That said

my partners in this new adventure don't care about all my protests That's how we end up with our first client Brenda Bronkowski an older vampire the human police are hunting down for murder Brenda fell for one of the oldest tricks in this new age of technology's book a romance scam Lonely and sad with only her pets for companionship Brenda hooked up with a human a much younger one You guessed it Brenda was catfished Now that much younger human Owen Barker is dead leaving behind a wife and two kids Brenda swears she's never even met him let alone murdered him and she's come to us for help finding the person responsible for his murder Not only is the suspect list low like we only have two there's a glitch and it's a big one The clan They don't like it when a vampire's been accused of murdering a human They take you out ask questions later Brenda's technically a fugitive we're harboring while we investigate It's bad enough the human police like her for Owen's murder but if the clan finds out we've got her holed up in the murder basement it won't only be curtains for Brenda our little private investigating gig could be over before it's really begun Which wouldn't exactly be the end of the world for me but my over-achieving BFFs would never let me hear the end of it That means we need to solve this pronto so we can get the clan off our backs but more importantly so Brenda doesn't end up expunged
