about his female superior's ass proves the last straw she transfers him to work with Dr Sandra Elby the famous researcher. Convinced he's been promoted he smugly arrives on the third floor to begin work only to learn that he's being recommended not as a lab assistant but as a test subject. Soon the new hormones and pleasure treatments designed to make him more feminine and docile have him forgetting he ever wanted to leave in the first place and what was once the office jerk has become the lab bimbo, horny, submissive and eager to please any man who walks through the door. Funnily enough that's exactly what Dr Elby had in mind when she made him into the horny little slut that he's become. Now that the physical changes are complete it's time to put her new pet on display and loan her out for a few dozen test runs. Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom, humiliation, feminization, gender swap, bimbofication and the use of potent aphrodisiacs, multiple partners and rough group sex, sexual manipulation, submissiveness and dominance. All characters are 18 or older. Excerpt: She's at her most docile immediately after a session. Dr Elby went on: "This was usually when I found it easiest to take measurements and gauge progress. At other times she can be a little excitable. That is if you'd like to examine her now would be a good time." A babble of quiet speculation met his words. Several of the researchers approached me. They were initially dubious but I smiled encouragingly at them, happy to show I could be cooperative and managed to stand up straight and expectant. Dr Elby usually gave me a little longer to recover after an orgasm but I was supposed to be on especially good behavior. They surrounded me, obviously enthusiastic about the chance to examine me. Curious fingers felt the smoothness of my skin, the contour of my side and ran through my thick, lush hair. I basked quietly in their attention and let them touch me wherever they wanted. All the little caresses, ten or twelve hands on me at once, gave me the hot sort of dirty feeling that my body was public property. Gender Swap Clinic Nina Nauheim (author), 1901 *Gender Swap Clinic: The Public Experiment (Gender Swap Aphrodisiac Menage and Femdom Humiliation Erotica)* Nina Nauheim, 2015-10-24. Medical intern Calvin Stowe was making a nuisance of himself, getting shunted from one department to the next by his arrogance and disrespect for the women of the Edelman Carter Institute. When a particularly crude remark about his female superior's ass proves the last straw, she transfers him to work with Dr Sandra Elby, the famous researcher. Convinced he's been promoted, he smugly arrives on the third floor to begin work only to learn that he's being recommended not as a lab assistant but as a test subject. Soon the new hormones and pleasure treatments designed to make him more feminine and docile have him forgetting he ever wanted to leave in the first place and what was once the office jerk has become the lab bimbo, horny, submissive and eager to please any man who walks through the door. In the wake of her success, Dr Elby's lab is moving to a private facility and she's sent her new bimbo to stay with her friend across town. But after weeks having submissiveness and overpowering sexual urges drilled into her, the test subject's become dependent on the doctors that transformed her and on the pleasure treatment regimen.

that satisfied her overcharged sex drive Deprived of them both the vulnerable test subject soon finds herself helplessly horny and helplessly lost in the big city trying to pretend she doesn't have a body specifically designed to make all the men around her wild with desire And now left to her own devices the full intensity of Dr Elby's revenge becomes obvious to Calvin not to mention every passer by Reader Advisory This story is for mature audiences only and features intensely erotic situations femdom humiliation feminization gender swap bimbofication and the use of potent aphrodisiacs multiple partners and rough group sex sexual manipulation submissiveness and dominance All characters are 18 or older Excerpt My skimpy clothes were clinging to me as I stepped in out of the rain I was shivering just a little bit and it felt good to close the door behind me and feel the warm air of the bar wash over my chilled body even if the mingling smells of liquor and smoke stung my nostrils just a bit My face scrunched up at their unexpected intensity I looked around shyly Immediately I felt out of place and I could see some of the men near the door turning to notice me as I stood hesitating on the threshold Was this a mistake Coming in here now I hadn't been out in public since early in Dr Elby's treatment program not since the changes had taken hold and now I was at the center of so many unfamiliar faces with expressions that made it clear how much I stuck out Some of them were openly appreciative or even a little predatory as they took in my appearance Even in a nightclub filled with men and women trying to look their best my ripe inviting form stood out effortlessly The wet blouse I had been given clung to my breasts and my nipples were poking through the almost sheer cloth as though an advertisement Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Bimbo Therapy series with full consent of the original author

Gender Swapped by the Crime Queen (Gender Swap Aphrodisiac Menage and Femdom Humiliation Erotica) Nina Nauheim, 2015-09-11 When tough guy cop Chris Lambert bursts through the door to arrest the shadowy leader of the city's largest criminal organization he can't believe his eyes It's a woman She's beautiful to be sure but crime is a man's world Assuming she's just the sex toy of the real man in charge he brings her into the station for questioning He's caught her in possession of a powerful and highly illegal aphrodisiac and assumes such a pretty face won't be hard to frighten into telling them what they want to know A staffing problem leaves the precinct headquarters empty and Chris gets stuck guarding the holding cells until the detectives show up in the morning and his thoughts start to wander It's been a long shift and he can't pretend he's not a bit curious what's so special about these little pills that this woman was willing to risk jailtime to have them in her penthouse It won't hurt to just look at them a little will it But when curiosity trumps his better judgement and Melissa Androsa's carefully laid trail of temptation gets the better of him the sexist cop finds out that the piece of evidence he just sampled has much more dramatic effects than he was counting on Soon the brash arrogant man finds himself unmistakably transforming into a voluptuous submissive woman with a sex drive that's climbing out of control It seems only a matter of time before the helplessly horny bimbo remembers she's sitting on a jailhouse full of criminals and lets her new urges push her towards some very bad ideas Reader Advisory This story is for mature audiences only and features intensely
