The background of the entire image is a sunset or sunrise scene. A large, dark silhouette of a cowboy wearing a hat and riding a horse is centered in the upper half. The sky is a mix of orange, yellow, and blue, with some wispy clouds. In the foreground, there are dark silhouettes of grass and a line of trees or bushes.

Pine,2016-03-03 Jupiter is an anthology of reports and fables from X F Pine that operate like a mixed tape The first part concerns abysses and shelters of a few kinds an old Maine storyteller a man locked in a room with secrets a gambling martial artist an adaptive actresses inside a famous comedy show and cards dealt out to one s memories The second part is about enemy tree houses family curses an alcoholic letter writer visitations with spook fathers women acting like cats the end of the world retirement swindles confessions about killing a man who controls luck the endless battle against resistance ancient bar crawls and personal spirals that lead to dust and bones *A New Imperial History of Northern Eurasia, 1700-1918* Marina B. Mogilner,Alexander Semyonov,Ilya V. Gerasimov,Sergey Glebov,2025-02-20 A New Imperial History of Northern Eurasia 1700 1918 proposes a new language for studying and conceptualizing the spaces societies and institutions that existed on the territory of today s Northern Eurasia until recently part of the USSR Traditional concepts and genealogies that frame human experience have to be avoided or reframed this is not the story of a certain present day state or people evolving through consecutive historical stages Rather the book s point of departure is a modern analytical approach to the problem of human diversity as a fundamental social condition In the form of cooperation and confrontation various attempts to manage diversity fostered processes of societal self organization as new ideas practices and institutions were developed virtually from scratch or radically altered when borrowed Essentially this is the story of individuals and societies who creatively responded to their natural and social environments and sought answers to universal problems in unique historical circumstances This volume which brings together leading scholars from both the United States and Russia covers the period during which the enormous landmass from the Carpathian Mountains in the west to the Pacific Ocean in the east from the Polar Circle in the north to the steppe belt in the south was put under the control of a single polity the Russian Empire Previously the competing local scenarios of self organization had taken specific political forms that suited them best This book shows that the Russian Empire faced the daunting task of coordinating multifaceted diversity within a single political and legal body under constantly changing domestic and international circumstances The study reveals that to this end the imperial regime employed various means from violence to science from segregation to integration and yet was still unable to block multiple political actors within the empire from advancing their own strategies of belonging resistance and participation **History of Chicago: From 1857 until the fire of 1871** Alfred Theodore Andreas,1885 **Chamber of Commerce Journal of Maine** ,1912 **A Half-breed Dance, and Other Far Western Stories** Randall H.
