Yuri Tynianov,2019-10-01 Yuri Tynianov was a key figure of Russian Formalism an intellectual movement in early 20th century Russia that also included Viktor Shklovsky and Roman Jakobson Tynianov developed a groundbreaking conceptualization of literature as a system within and in constant interaction with other cultural and social systems His essays on Russian literary classics like Pushkin s Eugene Onegin and works by Dostoevsky and Gogol as well as on the emerging art form of filmmaking provide insight into the ways art and literature evolve and adapt new forms of expression Although Tynianov was first a scholar of Russian literature his ideas transcend the boundaries of any one genre or national tradition Permanent Evolution gathers together for the first time Tynianov s seminal articles on literary theory and film including several articles never before translated into English *Shifting Perceptions of Migration in Senegalese Literature, Film, and Social Media* Mahriana Rofheart,2013-12-19 In *Shifting Perceptions of Migration in Senegalese Literature Film and Social Media* MahrianaRofheart proposes a revised understanding of Senegalese migration narratives by asserting the importance of both local and global connections in recent novels hip hop songs and documentary videos Much previous research on migration narratives in French from Africa has suggested that contemporary authors often do not consider their

countries of origin upon departure and instead focus on life abroad or favor a global perspective Rofheart instead demonstrates that today's Senegalese novelists and hip hop artists whether living in France or Senegal express connections to communities both in Senegal and abroad to cope with the traumatic experience of emigration and return Ultimately Rofheart asserts that Senegalese national identity remains significant to the way these authors and artists respond to migration In her examination of novels in French hip hop songs in French and Wolof and online documentaries as well as the social and economic currents that influence the texts production and circulation Rofheart engages with scholarship on transnationalism postcolonialism popular culture and new media studies The study's initial chapters address well known works from the mid twentieth century including Cheikh Hamidou Kane's *Ambiguous Adventure* as well as the films of Ousmane Sembène and Djibril Diop Mambéty This book then demonstrates how novelists such as Aminata Sow Fall and Fatou Diome as well as hip hop artists including Simon and Awadi break with previous tragic depictions of migration in novels and films to present successful responses to the contemporary context of frequent emigration from Senegal
