The Memoirs Of Sherlock Holmes English Edition

Arthur Conan Doyle, Sir

The Memoirs Of Sherlock Holmes English Edition:

The Memoirs of Sherlock Holmes Arthur Conan Doyle, Sir, 2017-07-12 Sir Arthur Conan Doyle 1859-1930 was a Scottish physician and writer. Although he wrote a number of series such as his Professor Challenger stories, he is by far best known as the creator of Sherlock Holmes. In later life, he gained notoriety for his belief in spiritualism and the Cottingley Fairies. *The Memoirs of Sherlock Holmes* is the second anthology of Sherlock Holmes short stories which had been published in *The Strand Magazine* in 1892 and 1893. It includes *The Final Problem*, which was Doyle's unsuccessful attempt to end the series; fans eventually convinced him to bring Holmes back. Also included in this edition is *The Cardboard Box*, missing from the first English edition of the *Memoirs* but present in the first American one. This book is in the Deseret Alphabet, a phonetic alphabet for writing English developed in the mid-19th century at the University of Deseret, now the University of Utah.

The Memoirs of Sherlock Holmes Arthur Conan Doyle, 2016-05-20 *The Memoirs of Sherlock Holmes* are overshadowed by the event with which they close: the meeting of the great detective and Moriarty, the Napoleon of Crime. Their struggle, seemingly to the death, was to leave many readers desolate at the loss of Holmes but was also to lead to his immortality as a literary figure. *The Memoirs of Sherlock Holmes (PART II)* Arthur Conan Doyle, 2018-03-23 Instead of memorizing vocabulary words, work your way through an actual well-written novel. Even novices can follow along as each individual English paragraph is paired with the corresponding French paragraph. It won't be an easy project, but you'll learn a lot.

The Memoirs of Sherlock Holmes Arthur Conan Doyle, Sir, 2017-05-12 The first London edition of the *Memoirs* in 1894 did not include *The Adventure of the Cardboard Box*, although all twelve stories had appeared in *The Strand Magazine*. The first U.S. edition included the story, but it was very quickly replaced with a revised edition that omitted it. The reasoning behind the suppression is unclear. In Britain, the story was apparently removed at Doyle's request as it included adultery and so was unsuitable for younger readers. This may have also been the cause for the rapid removal of the story from the U.S. edition, and some sources specify that the publishers believed the story was too scandalous for the American public. As a result, this story was not republished in the U.S. until many years later when it was added to *His Last Bow*. Even today, most American editions of the canon include it with *His Last Bow*, while most British editions keep the story in its original place in *The Memoirs of Sherlock Holmes*. Additionally, when the story was removed from the *Memoirs*, its opening pages, where Holmes emulates Dupin, were transferred to the beginning of *The Adventure of the Resident Patient*. In some later U.S. editions of the *Memoirs* which still omit *The Adventure of the Cardboard Box*, this transfer still appears. Doyle had decided that these would be the last collection of Holmes's stories and initially decided to get him killed in *The Final Problem*. However, public pressure forced him to write the character again in *The Hound of Baskervilles* and resurrect him in the forthcoming *The Return of Sherlock Holmes*. **The Memoirs of Sherlock Holmes** Arthur Conan Doyle, 2023-02-07 I never can resist a touch of the dramatic. *The Memoirs of Sherlock Holmes* is now best remembered for its concluding story in which

the great detective appears to plunge to his death into the waters at the bottom of the Reichenbach Falls locked in a struggle with his nemesis Professor Moriarty However the collection also brings the reader back to the beginnings of Holmes career involving a mutiny at sea and a treasure hunt in a Sussex country house and a first encounter with Holmes older brother Mycroft of whom Holmes says If the art of the detective began and ended in reasoning from any armchair my brother would be the greatest criminal agent that ever lived This collection includes some of the detective s greatest cases such as Silver Blaze and The Naval Treaty and even one case which Holmes fails to solve Edited with an introduction by Jarlath Killeen this volume examines Holmes as a safeguard against social breakdown and chaos as well as an agent of justice and goodness against the forces of evil It also situates the collection in the growth of life writing in the period and explores the ways in which Holmes became increasingly real to readers as more details about his personality and biography are revealed in the stories ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

[The Memoirs of Sherlock Holmes \(English German Edition, Illustrated\)](#) Arthur Conan Doyle,2018-11-09 The Memoirs of Sherlock Holmes is a collection of Sherlock Holmes stories originally published in 1893 by Arthur Conan Doyle Doyle had decided that these would be the last collection of Holmes s stories and intended to kill him off in The Final Problem Reader demand stimulated him to write another Holmes adventure The Hound of the Baskervilles In The Return of Sherlock Holmes Holmes relates the aftermath of The Final Problem and how he survived Die Memoiren des Sherlock Holmes erschienen 1893 unter dem englischen Originaltitel The Memoirs of Sherlock Holmes ist die zweite Sammlung von Detektivgeschichten um Sherlock Holmes von Sir Arthur Conan Doyle In s mtlichen Geschichten des Bandes fungiert wie auch in fast allen brigen Sherlock Holmes Geschichten Holmes Freund Dr Watson als Ich Erz hler

Greek Interpreter The Naval Treaty The Final Problem *The Memoirs of Sherlock Holmes* Arthur Conan Doyle, 2021-05-03

Torc Classics is proud to present the second volume in our Sherlock Holmes collection *The Memoirs of Sherlock Holmes*. Each book in this collection contains the text from the earliest printed edition available. All original text has been verified against the original versions in *The Strand Magazine* and is included in its original typography unlike other versions which often change the text and use typography that often alters the meaning or the flavor of the writing. Also, no tiny fonts and walls of unreadable text like some versions you may have seen. All of Torc Classics books feature text that has been carefully proofread to avoid errors common in other versions. A beautiful cover that captures the spirit of the work in a classic style. The complete text in an easy-to-read font similar to the original with the correct typography. *The Memoirs of Sherlock Holmes* is a collection of twelve short stories by Arthur Conan Doyle featuring his fictional detective Sherlock Holmes: *The Adventure of Silver Blaze*, *The Adventure of the Cardboard Box*, *The Adventure of the Yellow Face*, *The Adventure of the Stockbroker's Clerk*, *The Adventure of the Gloria Scott*, *The Adventure of the Musgrave Ritual*, *The Adventure of the Reigate Squire*, *The Adventure of the Crooked Man*, *The Adventure of the Resident Patient*, *The Adventure of the Greek Interpreter*, *The Adventure of the Naval Treaty*, *The Final Problem*. The stories were first serialized in *The Strand Magazine* between July 1891 and June 1892 and are printed here in their original order. Doyle included four of the twelve stories from this collection in his twelve favorite Sherlock Holmes stories, picking *The Adventure of the Speckled Band* as his overall favorite. There are three other books in this series: *The Adventures of Sherlock Holmes*, *The Return of Sherlock Holmes*, and *His Last Bow*. *Reminiscences of Sherlock Holmes*. If you like this edition, please consider buying those stories as well.

Memoirs of Sherlock Holmes: Special Edition Arthur Conan Doyle, 2018-03-29. The memoirs are overshadowed by the event with which they close: the meeting of the great detective and Moriarty, the Napoleon of Crime. Their struggle seemingly to the death was to leave many readers desolate at the loss of Holmes but was also to lead to his immortality as a literary figure. However illogical as a detective story, *The Final Problem* has proved itself an unforgettable tale. The stories that precede it included two narratives from Holmes himself: on a mutiny at sea and a treasure hunt in a Sussex country house, as well as a meeting with his brilliant brother Mycroft, of whom Holmes says, "If the art of the detective began and ended in reasoning from an armchair, my brother would be the greatest criminal agent that ever lived." We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand-curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will

enjoy this wonderful classic work and that for you it becomes an enriching experience
