a view to making them work The approach that this book takes starts from the inside out Everything starts with you the individual As you work your way through the chapters useful exercises are outlined for the reader to complete that are designed to improve the readers understanding of themselves and what they may want from a relationship The book then covers how to assess and deal with issues in relationships before seeking to offer techniques that can be used to bring couples closer If outside help is needed guidance is offered as to the types of help which is out there which ranges from family and friends to professional help Towards the end of the book a bonus fun chapter has been added which looks at compatible star signs Finally throughout the book it s emphasised how important it is to have honest and open communication

The Human Pony Rebecca Wilcox,2011-03-28 Renowned ponymistress Rebecca Wilcox distills her decades of experience owning and training bio horses plus her fiendishly kinky imagination into a comprehensive photographically illustrated introduction to outfitting and training the human pony

*Sexual Myths of Modernity* Alison M. Moore,2015-11-19 The notion of sexual sadism emerged from nineteenth century alienist attempts to imagine the pleasure of the torturer or mass killer This was a time in which sexuality was mapped to social progress so that perversions were always related either to degeneration or decadence These ideas were internalized in later Freudian views of the drives within the self and of their repression under the demands of modern European civilization Sadism was always presented as the barbarous past that lurked within each of us ready to burst forth into murderous violence crime anti Semitism and finally genocide This idea maintained its currency in European thought after the Second World War as Freudian influenced accounts of the history of philosophy configured the Marquis de Sade as a kind of Kantian superego in a framework that viewed the Western Enlightenment as unraveled by its own inner demons In this way a straight line was imagined from the late eighteenth century to the Holocaust These ideas have had an ongoing legacy in debates about sexual perversion feminism genocide representation and historical memory of Nazism However recent genocide research has massively debunked assumptions that perpetrators of mass violence are especially sexually motivated in their cruelty This book considers how the late twentieth century imagination eroticized Nazism for its own ends but also how it has been informed by nineteenth century formulations of the idea of mass violence as a sexual problem

**The Mistress Manual** Lorelei,1997-02 In 1994 The Mistress Manual was born as a simple pink guidebook self published by an experienced dominant woman She moved on to other efforts and the book fell out of print much to the disappointment of thousands of eager submissive men and dominant women Now Greenery Press has brought this classic back to life in an updated new edition perfect reading for the woman or man who has completed our Sexually Dominant Woman and is looking for more information Covers everything from establishing authority to exerting discipline Don t miss its famous Ten Rules for a Successful Mistress

The Commerce of Peoples Biman Basu,2012-03-15 Representations and coverage of S M have become quite common nowadays whether we see them in the fashion industry commercials the news on television film the internet and so on But in the population at large and in the academic community too it is still persistently stigmatized This marginalization along with its ambivalently persecuted status is a result significantly of a nineteenth century legacy This legacy begins with Kraftt Ebing s designation of sadomasochism along with gay and lesbian desire as a perversion and continues in the popular and expert mis understandings which prevail More generally most people today will recognize that all human relations are power relations Yet most people will also deny this and mask these power relations by invoking all sorts of things like romantic love sentimental attachment companionate marriage friendship peace non violence harmony and the list goes on ad nauseam Not that these do not exist in a sadomasochistic relation but sadomasochists are unflinching in their recognition that all of these are also permeated by power relations It is not only impossible to purge these relations of power but for sadomasochists it is also undesirable to do so It is not only more honest to acknowledge the power that saturates these relations but also more instructive in the sense that S M provides a context in which one learns to exercise power and to submit to it in a responsible way Even in scholarly critical and theoretical discussions of S M the prevailing opinion is that the power exercised in sadomasochism is not real It is of course not real in the sense that slavery and violence no longer has a legal status But reality cannot of course be gauged or even approximated by its legal status alone For most practitioners it is hard to deny the reality of pain of humiliation of degradation in the

moment of its enactment One can hardly deny the reality of bringing the whip down on someone's back or of having it sear across one's buttocks

**Exceptional State** Ashley Dawson, Malini Johar Schueller, 2007-06-29 Explores the role culture plays in legitimating unsettling and contesting America's aggressively interventionist foreign policy since 9/11

**The Corporate Dominatrix** Lisa Robyn, 2007-04-10 The Corporate Dominatrix exposes the workplace for what it truly is: a social sadomasochistic wonderland in which some people have power and some do not, thus creating an unbalanced command and control dynamic. Using the psychological tools of the professional dominatrix, Lisa Robyn shows women how to role-play their way to success by employing the tactics of six mistress archetypes: Goddess, Queen, Amazon, Governess, Nurse, and Schoolgirl. For a dominatrix in everyday life, the key to effectiveness lies in being switchable, knowing when to be firm and direct and when to be flexible and accommodating. The Corporate Dominatrix dominates without being domineering and is submissive without being subservient. She stands up for her rights in an open and straightforward way and she is confident enough to intuit what her clients or colleagues want and she responds accordingly. Robyn provides a compelling strategy for women to get their way at work by choosing the appropriate role to fit the particular situation while always behaving in a professional manner that earns respect. Filled with examples and practical tips, this provocative business book will help every businesswoman advance to the position she wants and truly become the mistress of her domain. Power becomes you. Use it wisely.

**Erotic Tickling**, 2003 From the sweetest of teasing caresses to paroxysms of turned-on writhings, shrieks and giggles, erotic tickling offers a spicy fillip to even a conventional sex life and a powerful source of erotic overdrive to the adventurous. With this sexy and informative overview, readers will learn how to provide safe, sweet erotic stimulus to all their sweeties, soft and tender body parts using fingers, feathers, fabrics, and other easy-to-obtain household items, as well as learn how to enhance the experience with firm but tender bondage and more.

**Porn 101** James E. Elias, Veronica Diehl Elias, Vern L. Bullough, 1999-10-01 Is the sex depicted in pornographic movies a reflection of what happens in real life? Do such movies exploit their female and male actors? Should pornography be held responsible for misconceptions about women and sex or for violent behaviour in men? What is obscenity? What is the difference between the erotic, the pornographic, and the artistic? Should society heed the constant calls for censorship or is pornography a form of speech that, though objectionable to some, is deserving of Constitutional protection? These questions and more in the controversial pornography debate are pondered in this wide-ranging collection of essays by both scholars and those who work within the porn industry, from actors and actresses to directors and writers, including even top First Amendment attorneys. The effects of pornography on its audience, one of the most heated topics, are examined in depth with all available international data, while tell-all stories from behind the scenes of the industry provide unique insight into porn's production. An all-inclusive volume, *Porn 101* ranges from gay to straight pornography, from sadomasochism to phone sex, and includes discussion of the special issues raised by child pornography.
