The Mushroom Man:

The Mushroom Man Stuart Pawson, 1995 **The Mushroom Man** Sophie Powell, 2003 Six year old Lily Newman accompanies her mother Charlotte on a late summer visit to her Aunt Beth's sheep farm in the middle of wild Welsh countryside Beth whom Charlotte considers to have greatly disappointed their parents by marrying a humble carpenter now lives with her son and triplet daughters her husband having died two years earlier While staying on the farm Lily becomes fixated with a fairy tale her cousins make up about a Mushroom Man and vanishes one morning into the nearby forest The adults suspect an abductor while the children wonder if indeed their story about the Mushroom Man and his invisible making powers has come true As each group pursues their own solutions relationships are strained and carefully constructed facades come crumbling down With sparkling prose *The Mushroom Man* explores the fine border between reality and myth and introduces Sophie Powell as a wry and sophisticated new talent in fiction *The Mushroom Man* Ethel Pochocki, 2006 A lonely worker in a mushroom farm finds the friend he longs for when he meets a mole in the park and takes him home to share his dinner *The Mushroom Man* Ethel Pochocki, 2023-09-05 The thirtieth anniversary edition of a beloved children's book *The Mushroom Man* has arrived at its thirtieth anniversary despite breaking every rule of picture book storytelling It is not a story about children The only kids make a cameo appearance to taunt the mushroom man in the street It is not a heroic story The mushroom man toils away in a mushroom farm coming to resemble a mushroom himself The story doesn't teem with personalities The mushroom man's existence is solitary So why does it endure Because it is a story of true and generous friendship This commemorative edition includes a new introduction from Barry Moser remembering his collaboration and friendship with Ethel Pochocki This remains one of my all time favorite books for kids and some of these illustrations are among the best I've ever done Barry writes There is also new back matter in which Barry peels back the curtain on his illustration technique making this book a marvelous accompaniment for teaching children's book writing and illustrating
