Charles Dickens's Our Mutual Friend Sean Grass, 2017-05-15 Even within the context of Charles Dickens's history as a publishing innovator *Our Mutual Friend* is notable for what it reveals about Dickens as an author and about Victorian publishing Marking Dickens's return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in *All the Year Round* *Our Mutual Friend* emerged against the backdrop of his failing health troubled relationship with Ellen Ternan and declining reputation among contemporary critics In his subtly argued publishing history Sean Grass shows how these difficulties combined to make *Our Mutual Friend* an extraordinarily odd novel no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall its transformation from a serial into British and U S book editions its contemporary reception by readers and reviewers and its delightfully uneven reputation among critics in the 150 years since Dickens's death Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident information on archival materials transcripts of all of the contemporary reviews and a select bibliography of editions Grass's book shows why this last of Dickens's finished novels continues to intrigue its readers and critics

Dickens, Violence and the Modern State J. Tambling, 1995-09-26 In a radical reassessment of one of the greatest writers of all time Dickens's *Violence and the Modern State* draws on the theories of Foucault Deleuze and Guattari in addition to Julia Kristeva and Edward Said to situate Dickens within the discourses circulating within his society in particular those associated with modernity Focussing on Dickens's novels written after 1848 his relationship to modernity can be seen in his treatment of violence seen in two forms in his writing that of the state in the rationalising powers of Victorian bourgeois modernisation and physical violence as portrayed in Dickens's criminals and interest in masochism and corpses
