back to the Rodney King riots and the moment a stranger gave a young cop sanctuary Now the debt must be repaid and Harry soon discovers the old man s death was no ordinary holdup Homing in on clues disregarded by the cops on the scene Harry builds a picture of corruption and intimidation with the local Triads at the heart of it But as he tries to build a case and breach the impenetrable wall of silence in the local community he finds he is taking a dragon by the tail a dragon whose talons reach well beyond LA and even the States Suddenly the most precious thing in Harry s life is under threat and he will need to leave the familiarity of his home turf alone and without backup if he is going to stop his worst nightmare from happening Harry Bosch is facing the end of the line in THE DROP He s been put on the Deferred Retirement Option Plan and given three years before his retirement is enforced Seeing the end of the mission coming he s anxious for cases He doesn t have to wait long First a cold case gets a DNA hit for a rape and murder which points the finger at a 29 year old convicted rapist who was only eight at the time of the murder Then a city councilman s son is found dead fallen or pushed from a hotel window and he insists on Bosch taking the case despite the two men s history of enmity The cases are unrelated but they twist around each other like the double helix of a DNA strand One leads to the discovery of a killer operating in the city for as many as three decades the other to a deep political conspiracy that reached back into the dark history of the police department
