It was the first big active change of his adult life but there was to be a bigger transition on the horizon. Now turning forty and finding it impossible to live as part of the yuppie lifestyle that his money granted him access to, Drago becomes disillusioned with himself and the world around him and opts for a radical change. It's at that moment when he makes the conscious decision to move himself and his Ferrari to the hood, selling his posh condo and renting a condemned crack house which he now calls home. It's here that Drago meets and interacts with a variety of wild over the top characters and where he'll ultimately find the one thing that has escaped him his entire life: True Love      **Still No Kids & Still Ok**

Ellen Metter, 2024-05-01 Author Ellen Metter wrote the first humor book on the childfree choice *Cheerfully Childless* at the turn of the 21st century. *Still No Kids* looks at the childfree choice a quarter century later and asks, "Hey, how did that work out?" Humor has helped Metter communicate with others about a topic she says is misunderstood by a family-oriented culture. ABCNews.com *Still No Kids* is a book for those who just want a laugh as well as an enjoyable launching point for the serious discussion of reproductive choice. There's less pressure these days to make lots of dimply babies. But what about the indecision that would be parents' experience as they consider the Baby Yes or No choices? Now that the author is nearly old enough to get Save the Date invitations from the Grim Reaper, she's ready to share an illustrated, light-hearted look at an intentionally childfree life as well as an appreciation for those who do parenting with love, patience, and not too many screaming meltdowns. As a grandfather well past the point where having another child is likely, I still enjoyed this. Regardless of where you stand on having children, this will make you laugh but also get you thinking. Big Al's Books Pals. Other books by Denver author Ellen Metter include the sci-fi novel *Transference* and the open educational resource *Researching 101*. She's worked as an academic librarian at the University of Colorado and a radio announcer for WPST and WDHA in New Jersey.

*Fodor's Caribbean 2007* Mark Sullivan, 2006 Maps of each Caribbean island and the Caribbean area accompany travel tips and a brief history of the islands      *Join the Club* Tina Rosenberg, 2011-04-08 In the style of *Nudge* or *The Spirit Level*, a groundbreaking book that will change the way you look at the world. Tina Rosenberg has spent her career tackling some of the world's hardest problems. *The Haunted Land*, her searing book on how Eastern Europe faced the crimes of Communism, was awarded both the National Book Award and the Pulitzer Prize in the US. In *Join the Club*, she identifies a brewing social revolution that is changing the way people live based on harnessing the positive force of peer pressure. Her stories of peer power in action show how it has reduced teen smoking in the United States, made villages in India healthier and more prosperous, helped minority students get top grades in college calculus, and even led to the fall of Slobodan Milosevic. She tells how creative social entrepreneurs are starting to use peer pressure to accomplish goals as personal as losing weight and as global as fighting terrorism. Inspiring and engrossing, *Join the Club* explains how we can better our world.

It honks. It blats. It wails. It purrs. It messes with time. It messes with pitch. It messes with your feet. It messes with your head. One musician leads to another; traditions overlap, intertwine, nourish each other, and everyone seems to know everyone else. From traditional jazz through rhythm and blues and rock n' roll to sissy bounce in second-line parades from the streets to clubs and festivals, the music seems unending. In *Talking New Orleans Music*, author Burt Feintuch has pursued a decades-long fascination with the music of this singular city. Thinking about the devastation, not only material but also cultural, caused by the levees breaking in 2005, he began a series of conversations with master New Orleans musicians talking about their lives, the cultural contexts of their music, their experiences during and after Katrina, and their city. Photographer Gary Samson joined him, adding a compelling visual dimension to the book. Here you will find intimate and revealing interviews with eleven of the city's most celebrated musicians and culture bearers: Soul Queen Irma Thomas, Walter Wolfman Washington, Charmaine Neville, John Boutté, Dr. Michael White, Deacon John Moore, Cajun bandleader Bruce Daigrepont, Zion Harmonizer Brazella Briscoe, producer Scott Billington, as well as Christie Jourdain and Janine Waters of the Original Pinettes, New Orleans's only all-woman brass band. Feintuch's interviews and Samson's sixty-five color photographs create a powerful portrait of an American place like no other, and its worlds of music **No Kids Allowed** Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F\*ck to Sleep* and Barbara Park's *MA: There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this

phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive      *Fodor's Australia* Margaret Kelly,Kelly Kealy,2010-04-13 Examines the cultural attractions of Vienna Salzburg and other areas of Austria and offers tips on accommodations restaurants walking and driving tours sightseeing shopping and seasonal festivals and events      No Perfect Affair Charmaine Galloway,2017-11-28 Melody Asia and Sasha are three successful women working in the careers they ve always wanted They excel in life they excel in their chosen professions but in their relationships they fail miserably From scandalous affairs and drug induced sex capades to secret pregnancies and murder in the first degree these cousins have the personal drama on lock But when backstabbing and betrayal infiltrates their relationship with one another the once tight trio quickly finds that blood is nowhere near as thick as water Come take a roller coaster ride with these women and experience their drama their deceit and a little bit of their naughtiness as they each try to handle lust and lies of the most wicked kind
