characters imbibed without restraint in ways that we never could with three martini lunches and nooners with girls in the Village smoking packs a day and soaking up power as though it was a birthright The characters of Mad Men live life in ways that we never will simply because we were born in the wrong era Luckily for us the show is engrossing enough that we can pretend MEET THE AUTHOR Lauren was raised in Charlotte North Carolina and graduated from North Carolina State University in May 2011 A few months later she found herself in New York City working in publishing and writing on the side a dream come true When Lauren is not reading writing or thinking about reading and writing she is exploring the city with friends or finding new yoga classes to take She loves traveling and going to concerts or even combining the two and attending music festivals EXCERPT FROM THE BOOK Mad Men A term coined in the late 1950s to describe the advertising executives of Madison Avenue They coined it Donald Draper is at the center of the glamorous world that is advertising in 1960s New York City Always seen with a scotch in hand through a haze of cigarette smoke Draper is the Creative Director of Sterling Cooper and a bit of a womanizer His corner office is often where he gets ready for the day since he didn't make it home that night to his wife Betty Betty however is ever much the loving and trusting wife that society demands her to be even though she experiences nervous ticks that show that her suspicions might one day surface While life for Betty might be calm and quiet in the suburbs life in the city is anything but Sterling Cooper is where executives rise to power or fall to the wayside depending on how they play their cards The women who assist the men are playthings and nothing more when the executives egos get bruised they turn to the women to bring them back up again One particular executive Pete Campbell has eyes for an upper management position and is willing to do just about anything to get there *Doctor Who-Guide 2/3* Compiled from Wikipedia pages and published by Dr Googelberg, 2012-08-07 Almost everything about the good doctor his companions and travels his enemies and friends Additionally the actors etc Part three contains all summaries of all TV episodes Compiled from Wikipedia pages and published by Dr Googelberg **TV Guide: TV on DVD 2006** TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD Focus On: 100 Most Popular Television Series by Universal Television Wikipedia contributors, **The British Television Pilot Episodes Research Guide 1936-2015** Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives So from the earliest days of television the concept of a pilot episode seemed like a good idea Trying out new actors new situations and new concepts before making a series was good economical sense It was also tax deductible Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised Chris Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful appear on screen It's a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades **The Saturday Review of**
