The Old Fashioned Joke English Edition:

A Director's Guide to the Art of Stand-up Chris Head, 2018-07-12 Stand up is the ultimate solo art form. Yet behind the scenes you will increasingly find the shadowy figure of a director. For comics themselves and for those who support them, this is the first book to give the director's perspective on creating and performing stand-up comedy. Drawing on his own experience of directing stand-up alongside speaking to comedians and their directors, Chris Head produces a revealing perspective on the creative process: comic persona, writing, stand-up structuring, material, and delivering a performance. Directors interviewed include Logan Murray, John Gordillo, and Simon McBurney, who between them have directed Eddie Izzard, Michael McIntyre, Milton Jones, Lenny Henry, and French Saunders. With a foreword by BBC arts editor Will Gompertz and contributions from many other interviewees, including Oliver Double, author of *Getting the Joke*, this is the only book that goes all the way from one-liners to theatre via comedy club sets and full-length shows. Perfect for stand-ups from newbies to pros, students of comedy, academics studying and teaching stand-up, and for directors themselves, *A Director's Guide to the Art of Stand-up* offers hundreds of inspiring practical insights and shows how creating the comedian's highly personal individual act can be a deeply collaborative process.

Big Joke-book Carleton Britton Case, 1919 **Preaching to Myself** Barbara G. Schmitz, 2002 A compelling preacher shares her unique method for creating memorable sermons in this practical down-to-earth manual that's chock-full of excellent ideas for homiletical preparation. It's an engaging look at what characterizes outstanding preaching, as well as a humorous catalog of the hazards facing those who enter the pulpit. Schmitz relates numerous amusing and instructive anecdotes from her own preaching experience and offers valuable advice on how to write and deliver messages with maximum impact. For example, Schmitz notes that compelling stories which resonate with hearers are a crucial ingredient of great sermons, and *Preaching To Myself* illustrates how to tap into this endlessly renewable resource. Simple, funny, field-tested in the trenches with real people: if you want to enjoy a chuckle while learning what makes top-notch sermons that change lives, then this is the book for you. Schmitz has written an entertaining and engaging book full of helpful ideas and sermon examples that will challenge and inspire. This is a very good tool, especially for the newer preacher. Rev. Kevin E. Martin, Canon for Congregational Development, Episcopal Diocese of Texas. *Preaching To Myself* will be very useful, particularly for people who feel unorganized about the whole project of preaching. It's written with humor and lots of helpful hints about how to get and stay organized for this crucial ministry. Rt. Rev. Catherine M. Waynick, Bishop, Episcopal Diocese of Indianapolis. Barbara G. Schmitz is an Episcopal priest who loves to preach. She has served several Episcopal and Lutheran churches in Michigan, as well as at the diocesan and synodical level.
