Reformed Dogmatics: Soteriology Geerhardus J. Vos, 2015-11-20 Like books people can become classics Great in their day but richer and more fulfilling with time Not yet a classic Vos's never before published Reformed Dogmatics is more like a lost Shakespeare play recently discovered Michael Horton Until recently Reformed Dogmatics was only available in its original Dutch But now you too can access Geerhardus Vos's monumental work of systematic theology This brand new English translation was edited by biblical theologian and Vos expert Richard B Gaffin Jr In Volume Four Soteriology Vos discusses The nature of salvation The evidence of salvation The order of salvation *ordo salutis* And more [Saving Grace](#) Lee Smith, 2013-12-03 LUCID IN EXECUTION BREATHTAKING IN SCOPE AND HEART RENDING IN EFFECT A REDEMPTIVE WORK OF ART Lee Smith has done more than write another novel about the South She has broken through the grotesque surface to the underground spring the music of Scrabble Creek and the effect is stunning a beguiling gentle prose formed by an honesty so severe we are brought to our knees This novel has a grand and singular purpose to clothe the spirit with flesh In this Lee Smith succeeds The Washington Post Book World A compelling journey into all matters southern and spiritual Set in North Carolina and Tennessee we follow young Grace Shepherd from a cabin in the bucolic poverty of Scrabble Creek to independence as a single woman Stops along the way include seduction by a half brother a failed marriage motherhood the loss of her son residence in the aptly named Creekside apartments in Knoxville and a job waitressing While Grace's path may be a journey many of us would not choose to undertake we have to raise a small fist of jubilation to Grace for having survived The Boston Sunday Globe Ms Smith possesses a fine talent for creating narrative voices whether the ungrammatical eloquence of a hill country healer or the educated affectations of a Richmond gentleman The New York Times Book Review Lee Smith patiently woos us into double vision As her fans know she has one of the truest ears for the speech in her part of the world Los Angeles Times Book Review **An exposition of the Parables** Benjamin Keach, 1856 *Exodus from Rome Volume 1* Dr. Todd D. Baker, 2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian

believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

The Portrait of the Master James Twyman,2012-06-01 St Francis of Assisi is one of the most endearing and human characters of the Middle Ages His influence today is just as strong as 800 years ago when he was founding his Order talking to Popes and carrying the message of peace to the infidel St Francis traveled with the crusaders not to fight the Muslims or even to preach to them but to persuade them and the Christians to make peace and live together in harmony This book focuses around his prayer Lord make me an instrument of thy peace and in a series of charming vignettes it shows how the prayer develops in the course of his pilgrimage through Italy towards the East and an uncertain fate This book reads like an adventure mystery story yet also brings a message of peace love and hope We travel with Francis and Brother Leo from Assisi to Syria meeting fascinating characters and learning life lessons along the way While a certain element of fiction has been added the basic story is true St Francis message is timeless and this book brings him to life as few others have
