Through the keyhole Marcela Iacub,2016-05-01 In 1857 a group of young people who had participated in an orgy in a private mansion was sentenced for contempt of public decency outrage public la pudeur because a curious voyeur was able to watch them from the outside through a keyhole In

1893 students who organised the Quat z Arts ball declared a war of the nude against the courts by demanding that certain forms of public nudity be considered chaste In the 1960s a passionate debate ensued on whether women bathing topless on French beaches constituted indecent exposure For Marcela Iacub the crux of each of these debates hinges on where the public ends and the private begins and what one can reveal and what one ought to hide Through an analysis that blends the law architecture literature and psychiatry this book tells the story of public decency We discover how the law has long exerted control over sexuality by distributing the visible world between illegal and legal domains with regard to certain behaviours thus transforming real spaces into institutional and political spaces Today the term pudeur has disappeared from the French penal code to be replaced by Sex But far from being an epic story of hard won freedom Iacub demonstrates that the transformation techniques used by the State in the last two centuries have rendered sexuality into a spectacle and have conditioned our spaces our clothes our comportment and even some of our mental illnesses In so doing Iacub offers us a politico legal history of the gaze

Ephemeral Territories Erin Manning,2003 What does it mean to be at home In a critical engagement with notions of territory identity racial difference separatism multiculturalism and homelessness this book delves into the question of what it means to belong in particular what it means to be at home in Canada Ephemeral Territories weaves together many narratives and representations of Canadian identity from political philosophy and cultural theory to art and films such as Srinivas Krishna s Lulu Clement Virgo s Rude and Charles Biname s Eldorado to develop and complicate familiar views of identity and selfhood Canadian identity has historically been linked to a dual notion of culture traceable to the French and English strains

of Canada's colonial past Erin Manning subverts this binary through readings that shift our attention from nationalist constructions of identity and territory to a more radical and pluralizing understanding of the political As she brings together issues specific to Canada such as Quebec separatism and Canadian landscape painting and concerns that are more transnational such as globalization and immigration Manning emphasizes the truly cross cultural nature of the problems of racism gender discrimination and homelessness Thus this impassioned reading of Canadian texts also makes an important contribution to philosophical cultural and political discourses across the globe

Crossing Sex and Gender in Latin America V. Lewis, 2010-08-02 Signifying others or signs of life This book critically examines the ways in which crossing sex and gender is imagined in key cultural texts from contemporary Latin America Unlike previous studies Crossing Sex and Gender in Latin America does not hold that sexually diverse figures are always and only performative or allegorical and instead places the accent on questions of the presence or absence of an account of subjectivity in contemporary representation Via analysis of selected films and literary works of Reinaldo Arenas Mayra Santos Febres Pedro Lemebel among others the author reflects on the political implications of recent visions 1985 2005

Japan, 1972 Yoshikuni Igarashi, 2021-05-04 By the early 1970s Japan had become an affluent consumer society riding a growing economy to widely shared prosperity In the aftermath of the fiery political activism of 1968 the country settled down to the realization that consumer culture had taken a firm grip on Japanese society Japan 1972 takes an early seventies year as a vantage point for understanding how Japanese society came to terms with cultural change Yoshikuni Igarashi examines a broad selection of popular film television manga and other media in order to analyze the ways Japanese culture grappled with this economic shift He exposes the political underpinnings of mass culture and investigates deeper anxieties over questions of agency and masculinity Igarashi underscores how the male dominated culture industry strove to defend masculine identity by looking for an escape from the high growth economy He reads a range of cultural works that reveal perceptions of imperiled Japanese masculinity through depictions of heroes doomed struggles against what were seen as the stifling and feminizing effects of consumerism Ranging from manga travelogues to war stories yakuza films to New Left radicalism Japan 1972 sheds new light on a period of profound socioeconomic change and the counternarratives of masculinity that emerged to manage it

Muriel Spark Martin Stannard, 2009-08-13 The long awaited biography of one of the great writers of the twentieth century a wonderful blend of scholarly fact and juicy storytelling Mail on Sunday Muriel Spark ended was one of the great writers of the twentieth century Hers is a Cinderella story the first thirty nine years of which she presented in her autobiography Curriculum Vitae 1992 politely blurring the intensity of her darker moments her relations with her brother mother son husband a terrifying period of hallucinations and subsequent depression and the disastrously misplaced love she had felt for two men she had wanted to marry Howard Sergeant and Derek Stanford Aged nineteen Spark left Scotland to marry in Southern Rhodesia escaping back to Britain on a troopship in 1944 after her divorce Her son returned in 1945 to be

brought up by her parents in Edinburgh while she established herself as a poet and critic in London After becoming a Roman Catholic in 1954 she began a novel *The Comforters* and with *Memento Mori* *The Ballad of Peckham Rye* and *The Bachelors* rose rapidly into the literary stratosphere *The Prime of Miss Jean Brodie* 1961 with its adaptation into a successful stage play and film marked her full translation into international celebrity and from that point she went to live first in New York then Rome and finally Tuscany where for over thirty years until her death in 2006 she shared a house with her companion the artist Penelope Jardine

Privacy in the Age of Shakespeare Ronald Huebert, 2016-01-01 In *Privacy in the Age of Shakespeare* Ronald Huebert challenges these assumptions by marshalling evidence that it was in Shakespeare's time that the idea of privacy went from a marginal notion to a desirable quality

Home in British Working-Class Fiction Nicola Wilson, 2016-03-09 *Home in British Working Class Fiction* offers a fresh take on British working class writing that turns away from a masculinist work based understanding of class in favour of home gender domestic labour and the family kitchen As Nicola Wilson shows the history of the British working classes has often been written from the outside with observers looking into the world of the inhabitants Here Wilson engages with the long cultural history of this gaze and asks how home is represented in the writing of authors who come from a working class background Her book explores the depiction of home as a key emotional and material site in working class writing from the Edwardian period through to the early 1990s Wilson presents new readings of classic texts including *The Ragged Trousered Philanthropists* *Love on the Dole* and *Saturday Night and Sunday Morning* analyzing them alongside works by authors including James Hanley Walter Brierley Lewis Grassie Gibbon Buchi Emecheta Pat Barker James Kelman and the rediscovered ex mill girl novelist Ethel Carnie Holdsworth Wilson's broad understanding of working class writing allows her to incorporate figures typically ignored in this context as she demonstrates the importance of home's role in the making and expression of class feeling and identity
