**A Manual of English Literature** Thomas Arnold,1897      **A Manual of English Literature, Historical and Critical** Thomas Arnold,1899      **Symeon the Holy Fool** Derek Krueger,2024-06-21 This first English translation of Leontius of Neapolis s Life of Symeon the Fool brings alive one of the most colorful of early Christian saints In this study of a major hagiographer at work Krueger fleshes out a broad picture of the religious intellectual and social environment in which the Life was created and opens a window onto the Christian religious imagination at the end of Late Antiquity He explores the concept of holy folly by relating Symeon s life to the gospels to earlier hagiography and to anecdotes about Diogenes the Cynic The Life is one of the strangest works of the Late Antique hagiography Symeon seemed a bizarre choice for sanctification since it was through very peculiar antics that he converted heretics and reformed sinners Symeon acted like a fool walked about naked ate enormous quantities of beans and defecated in the streets When he arrived in Emesa Symeon tied a dead dog he found on a dunghill to his belt and entered the city gate dragging the dog behind him Krueger presents a provocative interpretation of how these bizarre antics came to be instructive examples to everyday Christians This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996      **Self and Self-Transformations in the History of Religions** David Shulman,Guy G.
