The Mysteries Of Christianity Trans By Cyril Vollert:

The Oxford Handbook of Sacramental Theology Hans Boersma, Matthew Levering, 2015 This Handbook introduces the theology of the sacraments from a variety of perspectives It contains historical overviews biblical discussion philosophical and theological reflection as well as ecumenical discussion It is one of the most comprehensive overviews of the sacraments throughout the tradition of the Christian church The Oxford Handbook of the Trinity Gilles Emery, Matthew Levering, 2011-10-27 This Handbook surveys the complex history of Trinitarian theology and reveals the Nicene unity still at work among Christians today despite ecumenical differences Forty five contributors examine doctrinal developments and variations from biblical times to the present day Liturgical Feasts and Seasons Thomas Merton, 2023-11-30 Liturgical Feasts and Seasons in this third volume of paper from Thomas Merton s conferences during his decade 1955 1965 as novice master at the Cistercian Abbey of Gethsemani his insight into the liturgical pattern of the Christian year and beyond is presented in fresh detail Merton s own commitment to this central dimension of Christian life is clear and nowhere more so than in his work introducing students to the patterns that would mark their lives as monks Though dating from the period just before the liturgical reforms of Vatican II Merton s commentaries remain pertinent The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton s lifelong writing on liturgy Moreover as his former student Br Paul Quenon notes in his foreword this context is one deeply rooted in Merton s understanding of Scripture These notes take us into one man s lifetime of reflection and seasoned experience of the Church Year In the Liturgical Feasts and Seasons Novitiate Conferences on Scripture and Liturgy 3 Patrick F O Connell deeply rooted in Merton s understanding of Scripture *Did Jesus Rise from the Dead?* Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened Discourse in Dialogue Pat F. Rossi, 2014-07-24

Discourse in Dialogue Reflections in Fundamental Philosophical Theology is a project which considers fundamental theological and philosophical perspectives in Catholic Christian theology This project adumbrates a number of specifically intellectual themes namely philosophical and theological in character which pertain to the Catholic Christian tradition These themes include a study of the following the interrelationship of philosophy and theology theological method and pluralism the interpretation of scripture and its underlying hermeneutical principles Christian anthropology in relation to philosophy of the human person the Christological mystery and soteriology as well as the nature of Christian Philosophy all of which are representative themes proper to fundamental philosophical theology This work serves as an introductory text to the above cited questions while also providing more specific points of study for those interested in a more comprehensive reflection on contemporary philosophical and theological perspectives

On the Motive of the Incarnation The Salmanticenses, 2019-08-02 The Catholic University of America Press is pleased to announce a new series Early Modern Catholic Sources edited by Ulrich L. Lehner and Trent Pomplun This series the only one of its kind will provide translations of early modern Catholic texts of theological interest written between 1450 and 1800 The first volume in this series is *On the Motive of the Incarnation* the first English translation of the seventeenth century Discalced Carmelites at the University of Salamanca treatise on the motive of the Incarnation Originally intended for students of their order it became a major contribution to broader theological discourse In this treatise they defend the assertion that God intended Christ's Incarnation essentially as a remedy for sin such that if Adam had not sinned Christ would not have become incarnate and that at the same time God intended all other works of nature and grace for the sake of Christ at their end The Salmanticenses position thus combines elements of the Franciscan and Dominican traditions stemming from the thought of Blessed John Duns Scotus and Saint Thomas Aquinas This treatise is an exhaustive effort to show how the Scotistic emphasis on the primacy of Christ as the first willed and intended by God can be articulated within a Thomistic framework that acknowledges the contingency of the Incarnation on the need for redemption In addition to the translation the volume will include a brief introduction and extensive notes for theologians historians and students

Edith Stein Letters to Roman Ingarden Edith Stein, Hugh Candler Hunt, 2015-02-05 Edith Stein and Roman Ingarden both students of Edmund Husserl the founder of phenomenology corresponded extensively between 1917 and 1938 These 162 letters most published here for the first time reveal a friendship that spanned the adult lives of these two important 20th century thinkers Through Stein's letters the reader can follow her through her student days her conversion from Judaism to Catholicism her professional life and her decision to become a Carmelite nun in the Carmel of Cologne where she took the name Teresa Benedicta of the Cross The letters end in 1938 when the Nazi threat escalating throughout Eastern Europe made correspondence difficult especially across national borders Four years later Edith Stein was arrested in the Netherlands by the Nazi SS transported to Auschwitz and was killed in the gas chambers Roman Ingarden survived World War II continued his academic work in Poland and died in 1970 Although

Ingarden's letters to her have not been found Stein's to him also help us understand the life of this Polish phenomenologist and aesthetician his life in Poland his intellectual development his own writings and academic career and the editorial assistance Stein provided for all of the works he published in German Translated from the newest critical German edition by Dr Hugh Candler Hunt this premiere English edition of her correspondence volume 12 of ICS Publications Collected Works of Edith Stein gives us a fascinating and intimate window into Edith Stein's rich life and personality revealing her warmth and humor deep capacity for friendship and remarkable intellectual and spiritual depth Book has 13 photos bibliography and linked index The Roman School ,2024-03-18 Did the twentieth century patristic renewal come from nowhere Was all

nineteenth century theology neo scholastic Do theologians personal failings invalidate their theologies These are the questions that guide the contributors to this volume as they reassess the legacy of the so called Roman School a nineteenth century theological network centered in the Jesuit Roman College Though not entirely uncritical The Roman College represents a collective effort at sympathetic historical retrieval It shows how various figures connected to the Roman School Perrone Passaglia Schrader Franzelin Newman Scheeben and Kleutgen engaged theologically the problems of their own day and set the stage for later theological renewal *Tragedy in the Contemporary American Theatre* Robert J.

Andreach,2014-07-16 This book refutes the claim that tragedy is no longer a vital and relevant part of contemporary American theatre *Tragedy in the Contemporary American Theatre* examines plays by multiple contemporary playwrights and compares them alongside the works of America's major twentieth century tragedians Eugene O'Neill Arthur Miller and Tennessee Williams The book argues that tragedy is not only present in contemporary American theatre but issues from an expectation fundamental to American culture the pressure on characters to create themselves *Tragedy in the Contemporary American Theatre* concludes that tragedy is vital and relevant though not always in the Aristotelian model the standard for traditional evaluation **Dogma and Ecumenism** Matthew Levering,Bruce L. White,2020-01-24 The conversation of this book is structured around five major documents from the Second Vatican Council each of which Barth commented upon in his short but penetrating response to the Council published as *Ad Limina Apostolorum* In the two opening essays Thomas Joseph White reflects upon the contribution that this book seeks to make to contemporary ecumenism rooted in awareness of the value of dogmatic theology and Matthew Levering explores the way in which Barth's *Ad Limina Apostolorum* flows from his preconciliar dialogues with Catholic representatives of the *nouvelle thologie* and remain relevant to the issues facing Catholic theology today The next two essays turn to *Dei Verbum* the Dogmatic Constitution on Divine Revelation here Katherine Sonderegger Protestant reflects on scripture and Lewis Ayres Catholic reflects on tradition The next two essays address the Dogmatic Constitution on the Church *Lumen Gentium* which touches upon central differences of Catholic and Protestant self understanding Christoph Schwobel Protestant analyzes visible ecclesial identity as conceived in a Protestant context while Thomas Joseph White Catholic engages Barth's Reformed

criticisms of the Catholic notion of the Church The next two essays take up *Nostra Aetate* Bruce Lindley McCormack Protestant asks whether it is true to say that Muslims worship the same God as Christians and Bruce D Marshall Catholic explores the implications of the Council's reflections on the Jewish people The next two essays take up the Pastoral Constitution on the Church in the Modern World *Gaudium et Spes* John Bowlin Protestant makes use of the thought of Aquinas to consider the promise and perils of the document while Francesca Aran Murphy Catholic engages critically with George Lindbeck's analysis of the document The next two essays explore *Unitatis Redintegratio* Hans Boersma Protestant asks whether the ecumenical intention of the document is impaired by its insistence that the unity of the Church is already present in the Catholic Church and Reinhard Hutter Catholic systematically addresses Barth's questions regarding the document The noted ecumenist and Catholic theologian Richard Schenk brings the volume to a close by reflecting on true and false ecumenism in the post conciliar period

Aquinas on Transubstantiation Reinhard Hutter, 2019 *Aquinas on Transubstantiation* treats one of the most frequently mis understood and mis represented teachings of Thomas Aquinas Eucharistic transubstantiation The study interprets Aquinas's teaching as an exercise of holy teaching *sacra doctrina* that intends to show theologically and back up philosophically the simple yet profound thesis that transubstantiation affirms nothing but the truth of Christ's words at the Last Supper This is my body This is my blood Yet in order to achieve a contemporary *ressourcement* of this simple yet profound truth it is necessary to probe the depths of Thomas Aquinas's philosophical interpretation of it For Thomas Aquinas in regarding the truth of Eucharistic conversion it is faith that preserves the human intellect from missing or dismissing the mystery announced in Christ's words Faith however is not intellectually blind a faith that as is often erroneously held is commanded by arbitrary divine dictates to which the will submits in blind obedience Rather Aquinas takes faith is sustained but not constituted by an intellectual contemplation of the proposed mystery of faith by faith seeking understanding Thomas

Aquinas unfolds this exercise of understanding guided by faith in the medium of a metaphysical contemplation that affords a profound intellectual appreciation of this central mystery of faith precisely as mystery Thomas's metaphysical contemplation of Eucharistic conversion gestures toward the blinding light of superintelligibility experienced as the unique darkness that surrounds this sublime mystery of faith A ressourcement in Thomas Aquinas's doctrine of transubstantiation also affords an renewed appreciation of the Church's affirmation of transubstantiation as the most apt term for the interpretation of the mystery of Eucharistic conversion and a greater precision of what is centrally at stake in this mystery in the ongoing ecumenical conversation of this most central Christian teaching A doctrinally sound ecumenically informed and philosophically reflected contemporary Catholic theology cannot afford to ignore or dismiss Aquinas's surpassing account of Eucharistic conversion

Aquinas's Eschatological Ethics and the Virtue of Temperance Matthew

Levering, 2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In Aquinas's Eschatological Ethics and the Virtue of Temperance Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering's book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas's theology of temperance in the Summa theologiae which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology

Your Eucharistic Identity Gregory Pine, 2025-07-18 The Eucharist is no mere symbol It is the key to life More specifically it is the key to your very identity When we look carefully at the Blessed Sacrament under the signs of bread and wine we discover that we were made not simply to receive God to be nourished by his gifts or to draw close to him In fact we were made to become Him In *Your Eucharistic Identity* Father Gregory Pine shows that Christ through the Sacrament divinizes us in our whole being But the Eucharist is not magic We have to receive the gift of his Eucharistic presence and preparing for such a great banquet requires time work and attention To become like Christ we must be ready to be given to others in a free radical gift of love Father Pine's sacramental guide to the fullness of life at once thought provoking and practical ancient and new offers Christians a simple clear guide for their path

Christ and the Altar Fire: Sacrifice as Deification in Matthias Scheeben David Augustine,2025-01-01 For renowned nineteenth century German dogmatic theologian Matthias Scheeben the divinely instituted liturgical cult of the Old Testament is replete with soteriological import figuratively signifying not only Christ s saving work and the sacramental worship of the New Testament but also the transformation and elevation of the rational creature by divine grace Scheeben s distinctive use of sacrificial concepts is rooted in his underlying view of sacrifice as primarily perfective directed to the glorification of God and constituted by the conversion of the offering into a pleasing and acceptable aroma via ritual burning with God given fire In Christ and the Altar Fire David Augustine offers an in depth study of Scheeben s soteriology of sacrifice providing a comprehensive analysis of his theology of sacrifice as well as a detailed examination of his sacrificial construal of Christ s person his saving work and its application to others At the heart of this account is Scheeben s understanding of Christ s sacrifice as encompassing his entire paschal mystery passion death resurrection and ascension itself a passage of glorification that serves as the site and source of deifying and latreutic nuptial union As he shows Scheeben employs the altar fire typology to establish a unity of cross and glory that fully maintains the atoning and meritorious significance of Christ s saving death Displaying careful attentiveness to Scheeben s historical context and to the contours of his substantial corpus Augustine also brings Scheeben s biblically inflected dogmatic theology into dialogue with contemporary biblical and theological scholarship showcasing the enduring relevance of his thought

Keys to the Council Richard R. Gaillardetz,Catherine Clifford,2012-02-01 As the church marks the fiftieth anniversary of the opening of the Second Vatican Council too few Catholics have an adequate grasp of what the council contributed to the life of the church The problem is understandable The Second Vatican Council produced by far more document pages than any other council Consequently any attempt to master its core teachings can be daunting There is a danger of missing the forest for the trees With this in mind Keys to the Council identifies twenty key conciliar passages central texts that help us appreciate the Vision of the council fathers Each chapter places the given passage in its larger historical context explores its fundamental meaning and significance and finally considers its larger significance for the life of

Why Celibacy?: Reclaiming the Fatherhood of the Priest Fr. Carter Griffin, 2019-07-01 The Church today demands a profound renewal of celibate priesthood and the fatherhood to which it is ordered Priestly celibacy some say is an outdated relic from another age Others see it as a lonely way of life But as Fr. Carter Griffin argues in *Why Celibacy? Reclaiming the Fatherhood of the Priest* the ancient practice of celibacy when lived well helps a priest exercise his spiritual fatherhood joyfully and fruitfully Along the way Griffin explores the question of optional celibacy some pitfalls of celibate paternity the selection and formation of candidates for celibate priesthood why biological fathers are also called to spiritual fatherhood the powerful impact of celibacy on the Church and the wider culture In a critical moment for the Catholic priesthood Fr. Griffin brings light and hope with a new perspective on the Church's perennial wisdom on celibacy
