Higgins,2014-04-20 Featuring specially commissioned full colour artwork this engaging study casts new light on the background and details of this clash between two turretless tank destroyers as the two sides contested Hungary s vital oil resources in March 1945 As World War II in Europe reached its end armour development and doctrine had experienced several years of massively accelerated change especially within the crucible of the Eastern Front The German Jagdpanther and Soviet SU 100 both turretless tank destroyer designs based on a traditional turret tank chassis were the culminating examples of how the progression of experience resources and time constraints produced vehicles that were well suited for roles of defence and offence respectively As this compact book details the Jagdpanther represented a well balanced solution and an excellent use of limited resources while the SU 100 was a

natural progression of the SU 85 where numbers produced compensated for rudimentary construction poor crew comfort and limited optics *Practical Guide to the Use of the SEMI-AUTO PPS-43C Pistol/SBR* Erik Lawrence,2015-05-01 The most current up to date full color manual anywhere on the PPS 43 Pistol Short Barreled Rifle SBR Authored by Erik Lawrence former Special Forces Instructor and owner of one of the most realistic and experienced training companies in the US 39pages of great to know information with procedures that have been vetted over time 40 color pictures to better explain the listed procedures Developed for weapons familiarization classes and instructor development the best Team Room reference library available The objective of this manual is to allow the reader to be able to use the PPS 43 Pistol Short Barreled Rifle SBR safely and competently The practical guide will give the reader background specifications of the weapon and its capability multiple descriptive photographs instructions on its operation disassembly and assembly procedures proper safe firing procedures malfunction procedures Operator level maintenance will also be detailed to allow the operator to understand and become competent in the use and maintenance of the PPS 43 Pistol Short Barreled Rifle SBR **To The Last Man** Alexander Cohen,2018-10-18 In the Forgotten War there are many who served whose names and memories will never be forgotten US Army Sergeant William T Miles is one of them From the hunting trips of his youth in the Pocono Mountains where he learned many of the skills that would help him in wartime to chaotic battlefields of Korea Miles made a lasting impression on all those he knew then he disappeared On July 6 1951 Miles was part of a joint US South Korean Special Forces team operating deep behind enemy lines in North Korea when the team was attacked by a large enemy force As they tried to break contact with the enemy Miles volunteered to stay behind and cover the retreat of his fellow team members He was never seen or heard from again Miles s fate remained a mystery for decades after the end of the Korean War Amid conflicting and erroneous reports of what happened on the day he disappeared his family never knew the full details or circumstances of his disappearance However in 2017 new evidence discovered among declassified military documents and among the recollections of Korean War veterans shed new light on the story of William T Miles and the sacrifice he made that day providing closure to his family after sixty six years **Blitz Police** J. Thomas Callahan,2017-04-27 While hunting in the mountains outside of American occupied Salzburg Austria shortly after the end of World War II decorated US Army Sergeant Jacob Jake Wells discovers a crate buried in a cave When he opens the crate he unwittingly opens a Pandora s box that will have him fighting for his life and have his son questioning his integrity nearly seventy years later Within hours of opening the crate he and his best friend find themselves propelled into a world of danger greater and more personal than they faced while battling the German Army In the rubble that had once been the Greater German Reich the two Constabulary troopers are confronted with corrupt Army officials black marketers arms dealers fugitive war criminals and desperate Army investigators and they have to fight for their very lives just to be able to return home **ATF - National Firearms Act Handbook** U.S. Department of Justice,2019-03-17 This handbook is primarily for

the use of persons in the business of importing manufacturing and dealing in firearms defined by the National Firearms Act NFA or persons intending to go into an NFA firearms business It should also be helpful to collectors of NFA firearms and other persons having questions about the application of the NFA This publication is not a law book Rather it is intended as a user friendly reference book enabling the user to quickly find answers to questions concerning the NFA Nevertheless it should also be useful to attorneys seeking basic information about the NFA and how the law has been interpreted by ATF The book s Table of Contents will be helpful to the user in locating needed information Although the principal focus of the handbook is the NFA the book necessarily covers provisions of the Gun Control Act of 1968 and the Arms Export Control Act impacting NFA firearms businesses and collectors

Guns in American Society Gregg Lee Carter,2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of Guns in American Society An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of Guns in American Society is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters

World War II Soviet Armed Forces (2) Nigel Thomas,2011-07-20 In this second volume of a three part series on the Soviet Armed Forces in World War II author Nigel Thomas turns his attention to the mid war period Focusing on the uniforms and organization of Soviet troops during the campaigns of the Caucasus Stalingrad and Kursk this book offers a detailed breakdown of all the armed forces which conducted the valiant defensive campaigns including the army air force paratroopers navy and NKVD troops It also covers equipment and insignia and the changes brought about by the new regulations of 1943

Curtain of Death W.E.B. Griffin,William E. Butterworth IV,2017-12-05 From 1 New York Times bestselling author W E B Griffin comes a dramatic thriller in the Clandestine Operations series about the Cold War the fledgling Central Intelligence Agency and a new breed of warrior January 1946 Two WACs leave an officers club in Munich and four Soviet NKGB agents kidnap them at knifepoint in the parking lot and shove them in the back of an ambulance That is the agents first mistake and their last One of the WACs a blonde woman improbably named Claudette Colbert works for the new Directorate of Central Intelligence and three of the men end up dead and the fourth wounded The incident however will send shock waves rippling up and down the

line and have major repercussions not only for Claudette but for her boss James Cronley Chief DCI Europe and for everybody involved in their still evolving enterprise For though the Germans may have been defeated Cronley and his company are on the front lines of an entirely different kind of war now The enemy has changed the rules have changed and the stakes have never been higher

Gun Safety and America's Cities Joaquin Jay Gonzalez III, Roger L. Kemp, 2023-05-24 Across government bodies from local to federal legislative responses to mass gun violence in the new millennium have varied greatly Lack of communication or collaboration between government officials forestalls the implementation of practiced strategy In an effort to encourage widespread solutions this collection of resources outlines the state of gun legislation in the 21st century and provides strategies that have been implemented across the U S Combining a wide range of perspectives this book is divided into three parts that each tackle a unique but essential facet of gun legislation in the U S The first section features essays from field experts that detail the facts and culture of modern gun ownership The second section features critical essays that outline the challenges and solutions surrounding guns and public safety This section also includes in their entirety relevant documents from the U S Justice Department and the Bureau of Alcohol Tobacco and Firearms Lastly the third section provides multiple forecasts for the future of gun culture and politics With the goal of connecting government workers of all ranks this volume extensively details the many new gun safety regulations that have been enacted across the United States

Partisans, Guerillas, and Irregulars Steven D. Smith, Clarence R. Geier, 2019-06-25 Essays that explore the growing field of conflict archaeology Within the last twenty years the archaeology of conflict has emerged as a valuable subdiscipline within anthropology contributing greatly to our knowledge and understanding of human conflict on a global scale Although archaeologists have clearly demonstrated their utility in the study of large scale battles and sites of conventional warfare such as camps and forts conflicts involving asymmetric guerilla or irregular warfare are largely missing from the historical record Partisans Guerillas and Irregulars Historical Archaeology of Asymmetric Warfare presents recent examples of how historical archaeology can contribute to a better understanding of asymmetric warfare The volume introduces readers to this growing study and to its historic importance Contributors illustrate how the wide range of traditional and new methods and techniques of historiography and archaeology can be applied to expose critical actions sacrifices and accomplishments of competing groups representing opposing philosophies and ways of life which are otherwise lost in time The case studies offered cover significant events in American and world history including the French and Indian War the American Revolution Indian wars in the Southeast and Southwest the Civil War Reconstruction Prohibition and World War II All such examples used here took place at a local or regional level and several were singular events within a much larger and more complex historic movement While retained in local memory or tradition and despite their potential importance they are poorly and incompletely addressed in the historic record Furthermore these conflicts took place between groups of significantly different cultural and military traditions and capabilities most taking on a David vs

Goliath character further shaping the definition of asymmetric warfare
