

# The Outsiders

## Overview

### Genre: Realistic Fiction

Susan Eloise Hinton (b. 1948) was only 17 years old when her groundbreaking novel *The Outsiders* was first published. Her publisher believed the novel would sell better if the author's gender remained unknown, so it was published under Hinton's initials. The novel explores the hearts and minds of a gang with no voice, telling the story of class conflict between the lower-class "Greasers" and the upper-class "Socs" (short for "Socials" and pronounced "Soshes") in 1960s middle America. In this excerpt from early in the novel, the Greasers learn that the rival Socs have viciously attacked a fellow Greaser named Johnny.
