The Painter A Novel:

The Painter Peter Heller, 2015-03-03 NATIONAL BESTSELLER From the national bestselling author of *The River and The Dog Stars* comes a carefully composed story about one man's downward turning life in the American West. The Boston Globe: "After having shot a man in a Santa Fe bar, the famous artist Jim Stegner served his time and has since struggled to manage the dark impulses that sometimes overtake him. Now he lives a quiet life until the day that he comes across a hunting guide beating a small horse and a brutal act of new violence rips his quiet life right open. Pursued by men dead set on retribution, Jim is left with no choice but to return to New Mexico and the high profile life he left behind where he'll reckon with past deeds and the dark shadows in his own heart." **The Painter** Elizabeth Hathorn, Libby Hathorn, 2001 Novel for young adults

Bernard, an aspiring but alienated artist living in France, finds himself in conflict with many of those he comes into contact with. His teacher disapproves of his painting style, his contemporaries are suspicious of him, and most of his family don't understand him apart from his beloved grandmother Bijou. When Bernard meets the great Vincent Van Gogh, his life changes irrevocably and his real struggles begin. Incorporates the life story of Van Gogh. Award-winning author's previous titles include *All About Anna* and *Grandma's Shoes*. *The Painter's Apprentice* Charlotte Betts, 2012-08-02 From the author of ebook bestseller *The Apothecary's Daughter*

1688 Beth Ambrose has led a sheltered life within Merryfields, her family home on the outskirts of London, a place where her parents provide a sanctuary for melancholic souls. A passionate and gifted artist, Beth shares a close bond with Johannes, the painter who nurtures her talents and takes her on as his apprentice. But as political tensions begin to rise in the capital, Noah Leyton arrives at her family home in the middle of the night with a proposition that turns Beth's world upside down. And when Merryfields becomes refuge to a mysterious new guest whose connections provide an opportunity for Beth to fulfil her artistic ambitions, she soon realises that it comes at a price. **The**

Dual Artist Novel Orla Siobhán Flock, 2023-03-31 The artist novel occupies a prominent place in literary history. Although research into this genre, which is usually perceived as especially rigid, may seem to be exhausted at a first glance, a closer look at the development of the artist novel reveals its sheer incomparable malleability and resilience. In this book, Orla Flock turns her attention to those types of artist novels which she calls dual artist novels, which depict the artistic and personal development of both a male and a female artist. The juxtaposition of the male and the female artist narratives reveals both the rootedness of the genre in literary tradition and subverts established but outdated notions of genre and gender. On both a structural and a narrative level, the dual artist novel challenges established but confining views and demonstrates that even incremental nuanced development over time can ultimately lead to vast transformation. By reshaping the formerly rigid genre of the artist novel to include numerous and diverse voices while staying true to the thematic tradition, the dual artist novel subverts both the notion of static genre definitions as well as limiting conceptions of gender. **The Painter of Souls** Philip Kazan, 2015-07-16 Beauty can be a gift or a wicked temptation. and Hindemith's *Mathis der Maler* 1935 contributed to the debate in early twentieth century Germany about the place of art and the artist in modern society and examines how far the artist character may be taken as functioning as a persona for the real composer of the work.
