moment of history when conversions to the Catholic Church are receiving renewed attention. Marvelously readable stories highlight the vivid diversity of the personalities and the unity of the truth that still brings restless souls into full communion with the Church of Jesus Christ. Rev Richard John Neuhaus, Editor, *First Things*. This fine parade of men and women described with insight by Father Connor shows how long is the reach of the Holy Spirit and how varied are the personalities He has gathered to Himself. Rev George W Rutler, Author, *A Crisis of Saints*. The touching conversion stories that Fr Connor so concisely presents convey the joys as well as the struggles that converts continue to experience on their journey into the Catholic Church. Marcus C Grodi, President, *The Coming Home Network*. This book reminds cradle Catholics of the pearl of great price that is ours and should motivate many of us to a sharper sense of evangelization as the new Millennium begins. Rich information and valuable insights abound. Highly recommended. Most Reverend Edwin F O'Brien, Archbishop for the Military Services. Fr Charles Connor, a pastor of a parish in the diocese of Scranton, PA, is an expert in Church history. He is the host of several television series on EWTN including *Historic Catholic Converts*. *The Horror Film*, Stephen Prince, 2004. Focusing on recent postmodern examples, this is a collection of essays reviewing the history of the horror film and the psychological reasons for its persistent appeal. *Mass Culture and Everyday Life*, Peter Gibian, 2014-02-04. *Mass Culture and Everyday Life* is a collection of lively work from the small but seminal journal *Tabloid*. The book offers a clarification of the study of mass culture as it transforms daily life, providing a detailed survey of a wide range of the mass culture phenomena that have defined our everyday lives in recent years: from Hillary's hairdo to tampons, exercise fads and fashion trends from soaps to opera to rhythm and blues from horror movies to the interrelation of cats, pigs and mothers in *Babe*. This volume includes ground-breaking essays on the boom of talk radio and talk TV shopping as cinematic spectacle and how everyday life in the university community has become a key battleground in America's culture wars. The direct, accessible and refreshingly personal work speaks not only to an academic audience but to a wide general readership. **Philosophical Magazine**, 1871. **The London, Edinburgh and Dublin Philosophical Magazine and Journal of Science**, 1871. **Los Angeles Mining Review**, 1912. **A Model Study, Implemented by Slow Motion Photography, of Rapid Mass Movements in Granular Materials**, Walter Richard Buss, 1963. **Recent Developments in General Relativity**, B. The Conference, which is held every other year in different Italian locations, has brought together, as in the earlier conferences in this series, those scientists who are interested and actively work in all aspects of general relativity from both the mathematical and the physical points of view: from classical theories of gravitation to quantum gravity, from relativistic astrophysics and cosmology to experiments in gravitation. About 70 participants came from Departments of Astronomy and Astrophysics, Departments of Mathematics and Departments of Experimental and Theoretical Physics from all over the Country, in addition a few Italian

scientists working abroad kindly accepted invitations from the Scientific Committee The good wishes of the University and of the Politecnico di Bari were conveyed by the director of Dipartimento Interuniversitario di Matematica Prof Franco Altomare These proceedings contain the contributions of the two winners of the SIGRAV prizes the invited talks presented at the Conference and most of the contributed talks We thank all of our colleagues who did their best to prepare their manuscripts The pleasant atmosphere induced by the beauty of the place was greatly enhanced not only by the participation of so many colleagues who had lively discussions about science well beyond Conference hours but also by the feeling of hospitality extended to the participants by the staff of the Cala Corvino Hotel where the Conference was held
