The Musicians Joke Book:

The Musicians' Joke Book Jim Green, 2005 Most professions have their own jokes but musicians seem to have more than their fair share Perhaps it's the insane travel schedule the bad lodgings or just lack of sleep But as Jim Green says in his introduction it's not surprising we're a band apart so to speak outcasts who seek only our own company rubbing two jokes together for warmth and trying to feel superior by sneering at one another's abilities and personalities So maybe the reason musicians love poking fun at one another may be nothing more than getting in first before everyone else does Or perhaps choosing laughter is the only alternative to despair
