Connecting Link ,1992 The New World Warwick Bray, Earl Herbert Swanson (Jr.), Earl Herbert Swanson, Ian S. Melchizedek & the Temple R. J. Konczyk, 2008-11-24 The current world confusion and condition of Farrington, 1975 human affairs is a natural phase within an evolutionary process that will ultimately lead to the unification of the human race into a single social order This processhas passed throughstageswe should consider as being analogous tothose of infancy and childhood and is now in the culminating period of adolescence approaching its long awaited coming of agean age of universal peace and justice This has been the promise given throughout all the major faiths of the world The social fabric of the world is out of balance and through Divine interventionnations willform together in a collective consciousness recognizing the need for a revolutionary shift of spirit to undertake those measures creating lasting harmony and peace Dr M Scott Peck speaks of world views as being religious To move away from war we must distinguish between true religions and false religions true prophets and false prophets and that truth in religion is characterized by inclusivity while falsity in religion can be detected by its one sidedness and failure to integrate the whole History clearly shows that some form of a universal legislative body is not only essential but also inevitable Such a system is not conceived from the mind of mortal man rather it is a Divine System that was set in motion over 6000 years ago The purpose in writing Melchizedek the Temple is to show the story of this evolutionary processa journey through time culminating with the promise of an earthly kingdoman all inclusive world government free from tyranny hate prejudice and war Melchizedek the Temple offers a practical and compelling alternative to antiquated ideas that in reality prevent humankind from achieving what it longs for universal peace and justice It is a message of warning and of promise The Last Two Million Years, 1981-07 A four part survey of the human adventure

Peter Hall, 2008-11-04 Why you should be reading this book To the victims of crime Make no mistake about it after reading this book you will know beyond a reasonable doubt that prisoners in jail are suffering Whether it is on the city county or state level prisoners are living in a world that far extends the suffering they have inflicted upon you Having this knowledge will never make up for your loss or ill feelings It can only do two things give you peace of mind or allow you to forgive In any case each and every day a criminal is behind bars s he is subject to disease destruction despair and death This book will provide you with extremely vivid details of the life of a prisoner And I can assure you whats going in the mind of a prisoner is far more torturous than whats happening in the cell To the parents What will it be today that sets you apart from the responsibility of being accountable to your children How will you spend your day What puts you at risk of coming to jail today Consider the events that make up your day the drives the pick ups the drops the fighting the stealing the dealing the doping the drinking How much longer can you play this game of roulette with your children Whats it going take for you to already realize the sorrow regret and despair you will feel by coming to jail and simultaneously abandoning your children To the criminal Are you alone Did you come to jail today Will you be here tomorrow Does your history wish for a better re occurrence of events unfolding in your life Right now at this very moment are you in jail because of some unforseen future that should have been recognized long before the cuffs were place around your wrists If you are in jail today have been in jail before or are setting yourself up to go to jail this is the book to read Jail is the sentence you receive for committing a crime The sentence will be time But the true punishment of your crime will come from the imprisonment of your mind Peter Hall
