and Spencer Johnson is a business parable that portrays a young businessman learning about the strategies of one very effective manager who uses techniques described as the New One Minute Manager methods. The employee searches far and wide for the perfect management strategy but does not find an ideal manager someone who isn't focused exclusively on people or results. Eventually he learns that there is an effective manager in a town nearby. When the young man meets that manager they discuss his strategies and approach to managing which is hands off while being both results oriented and people oriented. The New One Minute Manager style is focused on making people feel good about themselves. Next the young man meets with three of the manager's employees. The first tells the young man about One Minute Goals. These are goals that can be evaluated in just a minute. PLEASE NOTE This is a Summary Analysis Review of the book and NOT the original book.
