*The Ninth Man* Dorien Grey, 2015-07-27 Dick Hardesty is hired to investigate the mysterious death of a client's lover. The police assume the death is drug related. In the course of his investigation, Dick learns of eight similar deaths, all seemingly unrelated. The victims had nothing in common other than being gay and all dying the same way. The police, to whom the deaths of perverts means very little, conclude that a serial killer is randomly killing gays, but Dick disagrees and believes that what tied the men together will lead to their killer. *The Bar Watcher* Dorien Grey, 2001 A fast-paced action-filled tale with duplicity, characters you love to hate and others you have to like in spite of themselves. Writer Grey has again brought us one of his excellent grabs: the reader from the opening line and holds them tight right down to the last paragraph. Works. The reader comes away with a sense of having been in Hardesty's neighbourhood, working right alongside Hardesty as he unravels a baffling case. Excellent read, highly recommended.
