Summa Theologica, Volume 2 (Part II, First Section) St Thomas Aquinas, 2007-05-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225 1274 widely considered the Catholic Church's greatest theologian. Famously consulted immediately after the Bible on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each using Biblical verses. Theologians and philosophers bolster his arguments. In Volume II, Aquinas addresses happiness, good and evil, love and hatred, hope and despair, anger, virtue, sin, and grace, and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy, religious historians, and serious students of Catholic thought.

Blasted with Antiquity David Ellis,2023-05-25 Given the increasing number of old people the proliferation of books about old age is hardly surprising Most of these come from cultural historians or social scientists and when those with a literary background have tackled the subject they have largely done so through what are known as period studies In *Blasted with Antiquity* David Ellis provides an alternative Skipping nimbly from Cicero to Shakespeare and from Wordsworth to Dickens and beyond he discusses various aspects of old age with the help of writers across European history who have usually been regarded as worth listening to Eschewing extended literary analyses Ellis addresses retirement physical decay sex in old age the importance of family legacy wills and nostalgia as well of course as dying itself While remaining alert to current trends his approach is consciously that of the old way of teaching English rather than the new Whether blasted with antiquity like Falstaff in *Henry IV Part Two* or with the shining morning face of an unwilling student his accessible and witty style will appeal to young and old alike **The House of the Father As Fact and Symbol** J. Saint Benedict, Montecassino, and the Crisis of Ninth-Century Southern Lombards in Early Medieval Cassinese Memory Luigi Andrea Berto, 2025-05-30 The dissolution of the Lombard political unity in southern Italy and the Muslim military activities in that area rendered the ninth century a crucial yet troubled period for the history of this part of the Italian peninsula The abbey of Montecassino was deeply affected by those events as well Its riches in fact made it an easy target for the Muslims who after imposing heavy tributes on the monastery pillaged and destroyed it in 883 Several years had to pass before Saint Benedict's monks could return to Montecassino In the difficult period of exile they put a lot of effort in the reconstruction of their community's identity as well as in reaffirming its role as repository of southern Italy's memory In this process of reconstruction the texts known as The Chronicles of Saint Benedict of Cassino had the fundamental task of describing as well as explaining the events that had provoked the crisis of southern Lombard Italy Using a topical approach and presenting the English translation and the Latin text of excerpts from The Chronicles of Saint Benedict of Cassino this volume examines how the Cassinese historians narrated that tragic period and at the same time mentioned the glorious times of Saint Benedict's foundation of Montecassino Saint Benedict Montecassino and the Crisis of Ninth Century Southern Lombards in Early Medieval Cassinese Memory will appeal to scholars and students of
