

A muscular man with short brown hair and a serious expression is the central figure. He is shirtless, showing his well-defined chest and abdominal muscles. He wears a black chain necklace and a black leather watch on his left wrist. His left hand is raised towards his chin. The background is a city skyline at dusk or dawn, with a hazy, greenish-yellow sky.

**Sleeping With My Billionaire Step-Brother** Geeka, 2025-09-21 You're in deep shit. You slept with your sister. Marcus hissed. Get the fuck out of here. How was I supposed to know I'd never met my so-called lost stepsister but Marcus I can't let go of what I shared with her that night. No matter how much I try I can't. Ten years ago Fiona vanished walking away from her billionaire father, his new wife, and the stepbrother she refused to meet. She built a new life, married a man she trusted, and created a company from nothing. Until the night she walked in on her husband and her best friend in bed together. Devastated, she ran into the arms of a stranger. One reckless kiss became a night of forbidden passion she thought would stay buried in the dark. She never expected to see him again. She definitely didn't expect him to be Rafael Velmera, her powerful new boss, and the stepbrother she never met. Now secrets, lies, and an irresistible desire threaten to unravel everything. Because Fiona is hiding more than her name, she's hiding a child. And the truth will change both of their lives forever. What if the man she's forbidden to love is the only one who has ever truly been hers?

*The Virgins Billionaire Bachelors* Harper West, It's not just the tropical temperatures that leave you hot and sweaty. Vanessa's whole life is in shambles. After my fiancé dumps me and my dreams are dashed, I run away. Cabo San Lucas, Mexico, is the perfect place to hide, heal my broken heart, and get a killer tan. But you can't exactly live off of nothing, so I get a job working as a hotel maid. Sure, cleaning up luxury suites after the likes of the rich and famous isn't exactly the glamorous life of a screenwriter I'd always imagined, but for now it works. Until one morning I run literally into them, a pair of gorgeous billionaire game designers who are on the run themselves. Everything about this screams bad idea, but I've made enough good decisions to know there are no guarantees. Besides, our connection is ridiculously hot, and a summer fling and losing my virginity might be exactly what I need to turn things around. But each night together makes me think this could be more than a vacation romance if I'm willing to open up my heart. Axel Ryan? Hell, he's got no fury like a woman scorned. And we know this firsthand. When our vicious ex-girlfriend drags our company's good name through the mud, we decide to lay low in Mexico until the whole legal mess blows over. It's meant to be a quiet little trip to forget about work stress and women, but even the best-laid plans go awry. Especially when we meet her, a beautiful, innocent hotel maid. She's guarded yet seductive, and everything about her intoxicates us. Our attraction is instant, and the chemistry is intense, but these trust issues might be the death of this summer love. Especially when exes start showing up.

I want nothing more than to ditch the ceremony, high tail it to the beach, and slam down a few Pi.
